The difference between the amount of its bid and the amount for which a contract for the work is subsequently executed may be charged against the Bidder, irrespective of whether the amount thus due exceeds the amount of the bid security. If a more favorable bid is received by re-advertising, the defaulting Bidder shall have no claim against the Commission for a refund. Because of the difficulty of ascertaining the damage caused to the Commission, such sum shall be considered liquidated damages and shall not constitute a penalty. The election by the Commission to grant an extension to the period allowed for the bidder to provide evidence of insurance coverage shall not entitle the bidder to an extension of time required to complete the Work.

No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor do they waive any event of default or acquiesce thereto, and every such right and power may be exercised by the Commission from time to time and as often as may be deemed appropriate.

6.36 DISPUTES

6.36.1 Bidder's Request: In the event of any disagreement between the Bidder and the Commission Representative which the Bidder and the Commission Representative have attempted, but been unable, to resolve, including, without limitation, changes, time extensions, claims, allowable costs or any other issues of fact or Contract interpretation based upon, relating to, or arising under the Contract, a request for resolution must be submitted to the Executive Director by the Bidder for final determination. The default or termination of the Bidder is not matters that may be disputed under this provision of the Contract. The Bidder's failure to submit the Dispute within thirty (30) days of receipt of the Commission Representative's response to the Bidder's Claim is a waiver of the Dispute. The Executive Director may consider issues of Contract interpretation in connection with decisions to be made in resolving Disputes.

6.36.2 Request Requirements: Requests for resolution of Disputes must be made by the Bidder in promptly be provided to the Executive Director and Commission Representative on the same day. In addition, the Bidder's Dispute and any subsequent correspondence that relates to the Dispute which the Bidder provides to the Executive Director, must be copied to the Commission Representative. The Commission Representative shall have thirty (30) days to respond in writing to the Bidder's submission by supplementing the Bidder's submission or to provide its own submission to the Executive Director and Bidder. However, the Commission Representative may request, and the Executive

Director may allow an additional period of time to respond. Failure by the Commission Representative to respond shall not be deemed to be an admission of any allegations made in the request for dispute resolution, but may be deemed to constitute a waiver of the opportunity to respond to such allegation(s), if any, at this stage of the Dispute. The Executive Director's decision may thereafter be reached in accordance with such other information or assistance as may be deemed reasonable, necessary or desirable by the Executive Director.

6.37 COMMISSION'S RIGHT TO TERMINATE CONTRACT

The Commission may, at its sole discretion, exercise the right to send the Bidder notice under Section 6.39.1 "Commission's Right To Terminate Contract," or 6.39.2 "Notice to Cure." Whether to declare the Bidder in default is within the sole discretion of the Executive Director and neither that decision nor the factual basis for it is subject to review or challenge under Article 18 "Claims and Disputes."

If termination of the Contract occurs by the Commission under Section 6.39.1, the Commission may use the material and equipment, whether owned or leased, which is within the scope of the Work or necessary for completion of the Work and paid for by the Commission (whether located on or off the Site) to complete the Work. The Bidder will receive no further payment until the Work is completed. However, if the cost of completion exceeds the unpaid balance of the Contract, the Bidder must pay the difference to the Commission immediately upon demand.

If termination occurs, all costs and changes incurred by the Commission, together with the cost of completing the Work, are deducted from any moneys due or which may become due to the Bidder. When the expense incurred by the Commission exceeds the sum which would have been payable under the Contract, the Bidder and the surety are liable and will pay the Commission the amount of such excess.

6.38 TERMINATION for CONVENIENCE

The Commission reserves the right, for its convenience, to terminate the Work of the Bidder by written notice stating the effective date of such termination. In such case, the Bidder and Subcontractors will (except for services necessary for the orderly termination of the Work): stop all Work; place no further orders or subcontracts for materials, services, equipment, or supplies; assign to the Commission (in the manner and to the extent directed) all of the rights of the Subcontracts relating to the Work; take any action necessary to protect property of the Commission and property in the Bidder's possession in which the Commission has, or may acquire, an interest; and take any other action toward termination of the Work which the Commission may direct.

Bidder's compensation for all work provided prior to the effective date of the termination and costs of stopping the work shall be paid based on the Termination for Convenience provision of the Federal Acquisition Rules and all interpretations of those rules and all cases decided regarding the rules.

After receipt of a notice of termination pursuant to this Section 19.06 "Termination for Convenience," Bidder will submit to the Commission Representative its final invoice in the required form, with supporting documentation. The Commission may require certified payrolls, receipts, and other proof of expenditures. The final invoice must be submitted promptly, but in no event more than 60 Days after the effective date of termination.

END OF SECTION 6

SECTION 7- TARGET MARKET SPECIAL CONDITIONS REGARDING MINORITY BUSINESS ENTERPRISE AND WOMEN BUSINESS ENTERPRISE (NON-CONSTRUCTION)

7.1 MBE/WBE PROGRAM

7.1.2 Policy Statement

It is the policy of the Commission to ensure competitive business opportunities for MBE and WBE Bidders in the performance of Contracts, to prohibit discrimination in the award of or participation in Contracts, and to abolish arbitrary barriers to full participation in Contracts by all persons, regardless of race, sex or ethnicity. Therefore, during the performance of this Contract, the Bidder must agree that it will not discriminate against any person or business on the basis of race, color, religion, ancestry, age, marital status, physical or mental handicap, unfavorable discharge from military service, parental status, sexual orientation, national origin or sex, in the solicitation or the purchase of goods and services or the subcontracting of work in the performance in this Contract.

The Commission requires the Bidder to agree to take affirmative action to ensure that MBE and WBE firms have the maximum opportunity to compete for and perform subcontracts with respect to this Contract.

The Commission has implemented the Target Market Program that seeks to award competitively to certified MBE and WBE firms on this Contract.

7.1.3 Aspirational Goals

Upon the effective date of these Special Conditions, the bi-annual aspirational goals are to award 25% of the annual dollar value of all Commission Professional Services Contracts to certified MBEs and 5% of the annual dollar value of all Commission Professional Service Contracts to qualified WBEs.

Further, the Bidder must agree to use its best efforts to include MBE and WBE firms in any Contract modification work that increases the Contract value by 10% of the initial Contract value or \$50,000, whichever is less. Where the proposed contract modification involves work which can be performed by MBEs and WBEs already performing work on the contract such MBEs and WBEs will participate in such work specified in the contract modification..

Failure to carry out the commitments and policies set forth in this Program constitute a material breach of contract and may result in termination of the Bidder or such other remedy, as the Commission deems appropriate.

7.1.4 Definitions

For purposes of this Special Condition, the following definitions apply:

- (1) "Certified Minority Business Enterprise" means a person or entity granted certification by the City of Chicago, County of Cook, Metropolitan Water Reclamation District, Chicago Minority Business Development Council, Central Management Service of the State of Illinois, and Women's Business Development Center.
- (2) "Certified Women's Business Enterprise" means a person or entity granted certification by the City of Chicago, County of Cook, Metropolitan Water Reclamation District, Chicago Minority Business Development Council, Central Management Service of the State of Illinois, and Women's Business Development Center.
- (3) "Area of Specialty" means the description of a MBE or WBE firms business which has been determined by the Commission's approved certifying entity to be most reflective of the MBE or WBE firms claimed specialty or expertise. For the Target Market Program, the Area of Specialty is synonymous to the designated commodity/services area. Each letter of certification contains a description of the MBE or WBE firms Area of Specialty.
- (4) "Target Market Joint venture" means an association of two or more MBEs, WBEs, or both MBEs and WBEs all certified by one of the Commission's approved certifying entities or whose recertification is pending, to carry out a single business enterprise for profit, and for which purpose they combine their expertise, property, capital, efforts, skill and knowledge.

7.1.5 Eligibility

- (1) Contracts included in the Target Market Program can be either MBE Target Market Contracts, WBE Target Market Contracts or designated as open to all certified MBE and WBE firms. Only MBE and MBE Joint Ventures are eligible to bid on or participate in MBE Target Market Contracts, while only WBE and WBE Joint Ventures are eligible to bid on or participate in WBE Target Market Contracts. On solicitations open to both MBEs and WBEs joint ventures are allowed between both.
- (2) Contracts included in the Target Market Program have been identified by the Commission as having at least three MBEs or three WBEs, as the case may be, which indicated their interest in participating in the Contracts designated commodity/service area(s) by successfully being certified by one of the Commission's approved certifying entities.
- (3) The Bidder may not subcontract more than fifty percent (50%) of the dollar value of the contract. The prime Target Market Bidder must perform at least fifty percent (50%) of the awarded contract amount with their own workforces. Up to 50% of the dollar value of the Target Market contract may be subcontracted to firms who are either MBEs and/or WBEs or non-MBEs and/or non-WBEs. However, in appropriate cases, the Commission may initiate discussions with the Bidder subcontracting with non-certified firms in order to maximize the overall participation of MBEs and WBEs at all contracting levels.
- (4) MBE or WBE firms will be allowed to participate in this Target Market Contract only in their Areas of Specialty as certified, or if recertification was submitted prior to certification expiration has been applied for, and is pending on the date of bid opening. Certification must be substantiated by current certification letters of all MBE and WBE participating in the contract being a part of the bid response.

7.1.6 Procedure to Determine Bid Compliance

The following schedules and documents constitute the Bidder's MBE/WBE compliance proposal and must be submitted at the time of the bid or proposal or within such extended period as provided by these Special Conditions.

- (1) Evidence of Certification: Affidavit of MBE/WBE. A copy of each proposed MBE and WBE firm's Letter of Certification from one of the Commission's approved certifying entities must be submitted.
- (2) Schedule B-2: Affidavit of MBE/WBE Target Market Joint Venture. If the Bidder is a joint venture, the Bidder must provide a copy of the joint venture agreement and a Schedule B-2. In order to demonstrate the MBE/WBE partners share in the ownership and control, the joint venture agreement must include specific details, related to: (1) contributions of capital and equipment; (2) work responsibilities or other performance to be undertaken by the MBE/WBE; and (3) the commitment of management, supervisory and operative personnel employed by the MBE/WBE to be dedicated to the performance of the contract. The joint venture agreement must also clearly define each partners authority to contractually obligate the joint venture and each partners authority to expend joint venture funds (e.g. check signing authority).
- (3) Schedule C2: Letter of Intent from Subcontractor, Supplier, and/or Consultant To Perform. In the event the Bidder fails to submit any Schedule C-2s with its bid, the Commission will presume that no subcontractors are performing services related to the Contract absent evidence to the contrary.
- (4) Schedule D-2: Affidavit of Target Market Subcontractors Non-Construction Services/General Equipment and Supplies. Bidders must submit, together with the bid, a completed Schedule D-2 committing to the utilization of each listed firm.

7.1.7 Compliance

- (1) It is material breach of this Contract if the Bidder, a joint venturer, or subcontractor is disqualified as a MBE or WBE, such status was a factor in contract award, and the status was misrepresented by the Bidder or any joint venturer. Such a breach shall entitle the Commission to declare a default, terminate the Contract and exercise those remedies provided for in the Contract, at law or in equity.
- (2) If the Commission's review of a Bidder's proposal concludes that the MBE or WBE proposal was deficient, the Commission will promptly notify the Bidder of the apparent deficiency and instruct the Bidder to submit (within 3 business days of such notice given by the Commission) a modification of the MBE or WBE Proposal, in proper format, which remedies the deficiencies cited. Failure to correct all deficiencies cited by the Commission will be cause for rejection of the Bidder's proposal as non-responsive.
- (3) In the event that the Bidder is determined not to have been involved in ant misrepresentation of the status of an MBE or WBE, the Firm shall discharge the disqualified MBE or WBE and, if possible, identify and engage a qualified MBE or WBE as its replacement. Continued eligibility to enter into future contracting arrangements with the Commission may be jeopardized as a result of non-compliance. Payments due under the Contract may be withheld until corrective action is taken.

7.1.8 Reporting and Record-Keeping Requirements

- (1) The Bidder, within 5 working days of contract award, must execute a formal subcontract or purchase order in compliance with the terms of the Bidder's bid proposal and MBE/WBE assurances, and submit to the Commission a copy of the MBE and WBE subcontracts or purchase orders, each showing acceptance of the subcontract or purchase order by the MBE and WBE firms. During the performance of the contract, the Bidder will submit partial and final waivers of lien from MBE and WBE subcontractors and suppliers indicating the current payment amount and the cumulative dollar amount of payments made to date. The Bidder will file regular MBE and WBE utilization reports on the form entitled "Schedule E-2: Target Market Subcontractor Utilization Report" at the time of submitting each monthly Payment Estimate, which reflects the current status of cumulative and projected payments to MBE and WBE firms.
- (2) The Contract Officer shall be entitled to examine on five (5) business days notice, the Bidders books and records including without limitation payroll records, tax returns and records, and books of account, to determine whether the Bidder is in compliance with the Target Market Program and the status of any MBE or WBE performing any portion of the Contract. Such rights are in addition to any other audit inspection rights contained in the Contract.
- (3) The Bidder must maintain records of all relevant data with respect to the utilization of MBE and WBE firms, including without limitation payroll records, tax returns and records, and books of account in such detail as the Commission requires, and retain such records for a period of at least 3 years after final acceptance of the work. Full access to such records will be granted to the Commission and/or its designees, on 5 business days' notice in order for the Commission to determine the Bidder's compliance with its MBE and WBE commitments and the status of any MBE or WBE firm performing any portion of the contract.

7.1.9 Disqualification of MBE or WBE

The Contract may be terminated by the Executive Director upon the disqualification of the Bidder as an MBE or WBE if the Bidder's status as an MBE or WBE was a factor in the award and such status was misrepresented by the Bidder.

The Contract may be terminated by the Executive Director upon the disqualification of any MBE or WBE if the Subcontractor's or supplier's status as an MBE or WBE was a factor in the award of the contract and the status of the subcontractor or supplier was misrepresented by the Bidder. If the Bidder is determined not to have been involved in any misrepresentation of the status of the disqualified subcontractor or supplier, the Bidder shall make good faith efforts to engage a qualified MBE or WBE replacement.

7.1.10 Non-Compliance

The Executive Director has the authority to apply suitable sanctions to the Bidder if the Bidder is found to be in non-compliance with the MBE and WBE requirements. Failure to comply with the MBE or WBE terms of this contract or failure to use MBE or WBE firms as stated in the Bidder's assurances constitutes a material breach of the contract, and may lead to the suspension or termination of the contract in part or in whole. In some cases, monthly progress payments may be withheld until corrective action is taken.

When the contract is completed, if the Executive Director has determined that the Bidder did not comply in the fulfillment of the required MBE and/or WBE goals, and a grant of relief of the requirements was not obtained, the Commission will be damaged in the failure to provide the benefit of participation to minority or women business to the degree set forth in this Special Condition. In that case, the Commission may disqualify the Bidder from entering into future contracts with the Commission.

7.1.11 Severability

If any section, subsection, paragraph, clause, provision or application of these Special Conditions is held invalid by any court, the invalidity of such section, paragraph, clause or provision will not affect any of the remaining provisions hereof.

7.2 RECORD KEEPING

The Bidder shall maintain records of all relevant data with respect to the utilization of MBEs/WBEs, retaining these records for a period of at least three years after final acceptance of the work. Full access to these records shall be granted to the City of Chicago, Federal or State authorities in this project, the U.S. Department of Justice, or any duly authorized representatives thereof.
