

**ADDENDUM NO. 1**  
**For Pre-Qualification of General Contractors:**  
**Gateway and 31<sup>st</sup> Street Harbor Construction Work**

DATE: Thursday, September 10, 2009

**NOTICE OF CHANGES**

This Addendum amends Section III. Evaluation Criteria and Letter of Commitment as follows:

**1. Section III. EVALUATION CRITERIA, Technical Competence and Specific Past Performance:**

**REVISE** Paragraph 1. **Gateway Harbor** by **DELETING** the words "Great Lakes coastal" as indicated (by the ~~striketrough~~) below:

Eligible contractors must possess verifiable experience and demonstrate successful past performance on comparable public or private ~~Great Lakes coastal~~ projects with construction costs of \$20,000,000 or more. Only experience on comparable projects completed in the last 10 years on which Respondent performed as a general contractor will be considered. Eligible contractors must, *at a minimum*, have successfully performed on two or more comparable coastal projects that included features such as driven sheet piling, rubble mound breakwaters and floating docks.

**REVISE** Paragraph 2. **31<sup>st</sup> Street Harbor (Coastal Project)** by **DELETING** the words Great Lakes coastal as indicated (by the ~~striketrough~~) below:

Eligible contractors must possess verifiable experience and demonstrate successful past performance on comparable public or private ~~Great Lakes coastal~~ projects with construction costs of \$10,000,000 or more. Only experience on comparable projects completed in the last 10 years on which Respondent performed as a general contractor or as a specialty breakwater subcontractor will be considered. Eligible contractors must, *at a minimum*, have successfully performed on two or more comparable coastal projects that included features such as rubble mound breakwaters and procurement and transportation of large quantities of stone.

**2. Letter of Commitment:**

**REVISE** first bullet of *GATEWAY HARBOR, Technical Competence and Specific Past Performance*, by **DELETING** the word "coastal" as indicated (by the ~~striketrough~~) below:

- Eligible contractors must possess verifiable experience and demonstrate successful past performance on comparable public or private ~~coastal~~ projects with construction costs of \$20,000,000 or more.

**REVISE** first bullet of *31<sup>st</sup> STREET HARBOR: Coastal Project, Technical Competence and Specific Past Performance*, by **DELETING** the word "coastal" as indicated (by the ~~striketrough~~) below:

- Eligible contractors must possess verifiable experience and demonstrate successful past performance on comparable public or private ~~coastal~~ projects with construction costs of \$10,000,000 or more.
