Contractor certifies that to the best of its knowledge, information and belief, the work is in accordance with the Contract Documents: that suppliers of materials, services, labor and all Subcontractors (including all significant sublevels thereof) are being currently paid, and that the amount of the payments applied for are justified. These provisions should not be construed as conferring any rights hereunder for the benefit of Subcontractors, suppliers, workers or employees, nor as enlarging or altering the application or effect of existing lien laws.

That the Waivers of Lien and submitted herewith by affiant and each of the aforesaid persons, are true, correct, and genuine: that each and every Waiver of Lien was delivered unconditionally; that there is no claim either legal or equitable to defeat the validity of any of said Waivers of Lien; that said Waivers of Lien include such Waivers of Lien from all Subcontractors, suppliers of material or other agents acting on behalf of affiant in connection with the Work or arising our of the Work; and that so far as affiant has knowledge or information, the said Waivers of Lien include all the labor and material for which a claim could be made and for which a lien could be filed.

That neither the partial payment nor any part thereof has been assigned.

That said Contractor herein expressly affirms that should it at any time appear that any illegal or excess payments have been made to said Contractor by or on behalf of the PUBLIC BUILDING COMMISSION OF CHICAGO, the said Contractor will repay on demand to the PUBLIC BUILDING COMMISSION OF CHICAGO the amount or amounts so paid; and if any lien remains unsatisfied after all payments are made, the Contractor shall refund to the PUBLIC BUILDING COMMISSION OF CHICAGO all moneys that the latter may be compelled to pay in discharging such a lien including all costs and a reasonable attorney's fee.
