The amounts withheld may be disbursed by the Commission for and on account of Owner's Representative to the respective employees to whom they are due, as determined by the Commission in its sole discretion.

f) Compliance with Policies Concerning MBE and WBE.

Without limiting the generality of the requirements of the policies of the Commission referred to in paragraph 3 above, Owner's Representative will use every reasonable effort to utilize minority business enterprises for not less than 25% and women business enterprises for not less than 5% of the value of the Services, in accordance with the Resolution passed by the Board of Commissioners of the Commission on October 1, 2004, concerning participation of minority business enterprises and women business enterprises on contracts, other than construction contracts, awarded by the Commission and to furnish to the Commission, such reports and other information concerning compliance with such Resolution as may be requested by the Commission from time to time.

g) No Damages for Delay.

Owner's Representative will not assert on its behalf nor on the behalf of its Subcontractors and the Commission will not pay for any costs, fees, charges or claims for damages for any delays or hindrances from any cause whatsoever during the term of this Agreement. The foregoing does not apply to potential additional compensation for Additional Services provided by the Owner's Representative pursuant to a written request by the Commission. Owner's Representative will be granted an extension of time to complete the Services, for such reasonable period as will be determined by the Commission. An extension of time granted by the Commission to allow the Owner's Representative to perform the Services or any other obligation under this Agreement will in no way operate as a waiver on the part of the Commission of any of its rights under this Agreement.

h) Records.

The Owner's Representative must maintain accurate and complete records of expenditures, costs and time incurred by the Owner's Representative and by Subcontractors engaged by the Owner's Representative in connection with the Project and the Services. Such records will be maintained in accordance with recognized commercial accounting practices. The Commission may examine such records at the Owner's Representative's offices upon reasonable notice during normal business hours. The Owner's Representative must retain all such records for a period of not less than five calendar years after the termination of this Agreement.

i) Time is of the Essence.

The Owner's Representative acknowledges that time is of the essence in the performance of the Services required by this Agreement and that timely completion of the Services is vital to the completion of the Project. The Owner's Representative must use every reasonable effort to expedite performance of the Services and performance of all other obligations of the Owner's Representative

under this Agreement and any other agreements entered into by the Commission which are managed or administered by the Owner's Representative as a result of the Owner's Representative's engagement under this Agreement.

j) Compliance with Laws.

In performing its engagement under this Agreement, the Owner's Representative must comply with all applicable federal, state and local laws, rules, and regulations.

k) Meetings.

Meetings to discuss the progress of the Project and the Services and/or to review the performance of Owner's Representative will be scheduled upon the Commission's request, at mutually agreeable times and locations. Owner's Representative will cause such meetings to be attended by appropriate personnel of Owner's Representative engaged in performing or knowledgeable of the Services. Owner's Representative will take the minutes at these meetings and distribute the minutes to all parties in attendance within 5 days of the meeting.

l) Defects in Project.

Owner's Representative must notify the Commission immediately if the Owner's Representative obtains knowledge of an issue or circumstances which could result in a delay in the performance of Services or significant problem in connection with any part of the Project, including construction defects, cost overruns or scheduling delays.

m) Performance Standard.

- i) Owner's Representative represents that the Services performed under this Agreement will proceed with efficiency, promptness and diligence and will be executed in a competent and thorough manner, in accordance with reasonable professional standards in the field consistent with that degree of skill and care ordinarily exercised by professionals performing similar services in the same locality at the same site and under similar circumstances and conditions. Owner's Representative further promises that it will assign at all times during the term of this Agreement the number of experienced, appropriately trained employees necessary for Owner's Representative to perform the Services in the manner required by this Agreement.
- ii) Owner's Representative must ensure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Owner's Representative must maintain current copies of any such licenses and provide these copies upon request by the Commission. Owner's Representative remains responsible for the professional and technical accuracy of all Services furnished, whether by Owner's Representative or others on its behalf. All deliverables will be prepared in a form and content reasonably satisfactory to the Commission and delivered in a timely manner consistent with the requirements of this Agreement.
- iii) Owner's Representative must not use any business or individual to provide the Services under this Agreement who is disqualified by the Commission or debarred under any other governmental agency's procedures.
- iv) If Owner's Representative fails to comply with the obligations under the standards of this Agreement, Owner's Representative must perform again at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review,

approval, acceptance or payment for any of the Services by the Commission does not relieve Owner's Representative of its responsibility to render the Services and deliverables with the professional skill and care and technical accuracy required by this Agreement. This provision in no way limits the Commission's rights against Owner's Representative either under this Agreement, at law or equity.

n) Amendments to this Agreement.

The Commission may from time to time request changes to the terms and Services of this Agreement. Such changes, including any increase or decrease in the amount of compensation and revisions to the duration of the Services, which are mutually agreed upon by and between the Commission and Owner's Representative, will be incorporated in a written amendment to this Agreement. The Commission will not be liable for any changes absent such written amendment.

o) Compliance with The Chicago Standard.

The City of Chicago has adopted The Chicago Standard, a set of construction standards for public buildings. The Chicago Standard was developed to guide the design, construction and renovation of municipal facilities in a manner that provides healthier indoor environments, reduces operating costs and conserves energy resources. It also includes provisions for outfitting, operating and maintaining those facilities. The Chicago Standard takes advantage of new building technologies and practices to enhance the well-being and quality of life of everyone working in and using these buildings, as well as the neighborhoods in which they are located. Owner's Representative will familiarize itself with the current requirements of The Chicago Standard and perform the Services in such a manner as to incorporate those construction standards into the Project.

p) Representation and Covenant by Owner's Representative.

Neither the Owner's Representative nor any affiliate of the Owner's Representative is listed on any of the following lists maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the User Agency may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph (p) only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

5) TERM

a) Duration.

The term of this Agreement begins on the Commencement Date of Services specified in Schedule A or as stated in the Notice to Proceed ("NTP"), if an NTP is issued. Subject to the provisions in this section, this Agreement expires upon the Completion Date of Services or upon completion of the Services and acceptance of the Deliverables by the Commission, whichever is earlier to occur. The term of this Agreement may be extended by the mutual agreement of the Commission and Owner's Representative.

b) Termination by the Commission.

The Commission has the right, at any time, to terminate this Agreement in whole or in part, with or without cause, by written notice given to the Owner's Representative at least 30 days before the effective date of termination. So long as Owner's Representative is not in default under this Agreement at the time of termination, the Commission will pay Owner's Representative, in accordance with the terms of this Agreement, all compensation and reimbursements due to Owner's Representative for periods up to the effective date of termination. The Commission may, however in its sole discretion, reimburse Owner's Representative for actual expenses approved by the Commission.

c) Suspension by the Commission.

The Commission also has the right, at any time and from time to time, with or without cause, to suspend the performance of Owner's Representative hereunder with respect to all or any part of the Services, by written notice given to Owner's Representative at least 5 days before the effective date of suspension. During the notice period Owner's Representative must wind down its Services. So long as Owner's Representative is not in default under this Agreement at the time of suspension, the Commission will pay Owner's Representative, in accordance with the terms of this Agreement, all compensation and reimbursements due to Owner's Representative for periods up to the effective date of suspension. If Owner's Representative's performance is suspended more than 90 days under this provision, Owner's Representative may, at its option, exercise its rights under this section to terminate this Agreement.

- i) During the period Owner's Representative's performance is suspended, Owner's Representative is not entitled to incur fees or bill the Commission, except for Owner's Representative's time for participating in substantive meetings concerning the Project (but not for meetings to discuss Owner's Representative's invoices or claims). Owner's Representative may bill such time spent during a suspension only if Owner's Representative's participation is requested by the Commission and only for the time of one individual per meeting. Commission will pay for such time at the applicable hourly billing rate set forth in Schedule C. Participation in meetings at the request of the Commission is not considered to be resumption of Owner's Representative's Services.
- ii) The number of days during which the suspension period lasted will be added to the Completion Date of Services set forth in Schedule A, establishing a revised Completion Date of Services, and Owner's Representative will re-commence its Services at the point they were suspended and may resume billing in accordance with the terms of this Agreement.

d) Effect of Termination or Suspension.

Termination or suspension of this Agreement in whole or in part does not relieve Owner's Representative from liability for its performance of any obligation under this Agreement that was performed or was to have been performed by Owner's Representative on or before the effective date of termination or suspension. In no event will the Commission be liable to Owner's Representative for any loss, cost or damage, including lost profits, which Owner's Representative or any other party may sustain by reason of the Commission terminating or suspending this Agreement as provided in it.

e) Termination by the Owner's Representative.

If the Services, in whole or substantial part, are stopped for a period longer than 90 days under an order of any court or other governmental authority having jurisdiction, or as a result of an act of government, such as a declaration of national emergency making materials unavailable, through no act or fault of Owner's Representative, or if the Commission suspends Owner's Representative's performance of its Services for more than 90 days for any reason, or if the Commission fails after

notice and an opportunity to cure to make any payment or perform any other obligation hereunder, Owner's Representative has the right to terminate this Agreement, by written notice given to the Commission at least 7 days before the effective date of termination, and has the right to recover from the Commission all compensation and reimbursements earned by Owner's Representative under this Agreement for periods up to the effective date of termination. If Owner's Representative for any reason does not exercise its right to terminate hereunder, and if the Owner's Representative's Services are later resumed, Owner's Representative will provide its Services as set forth in this Agreement without adjustment of compensation.

f) Force Majeure.

Neither of the parties will be liable to the other for any delay or failure in performance hereunder due to causes which are beyond the control of the party unable to perform. If a force majeure occurs, the party delayed or unable to perform will give prompt notice to the other party, and the Commission may, at any time during the continuation of the force majeure event, elect to suspend the performance of Owner's Representative under this Agreement for the duration of the force majeure. The Commission will not be obligated to pay for the Services to the extent and for the duration that performance of the Services is delayed or prevented by force majeure, but, provided Owner's Representative is not in default of any obligation of Owner's Representative under this Agreement, the Commission will pay to Owner's Representative, according to the terms of this Agreement, all compensation and reimbursements due to Owner's Representative for periods up to the effective date of suspension. The term "force majeure" means an extraordinary event or effect that the parties could not have anticipated or controlled and that renders performance impossible or impracticable for the duration of the event or effect. Such events or effects include but are not limited to: extraordinary acts of nature, such as tornadoes; or of people, such as acts of terrorism; or of governments, such as imposition of martial law. The term does not include, for example, typical Chicago inclement weather (i.e. weather the severity of which is less than a standard deviation from the 5-year mean for the Chicago Midway area for Project located south of Madison Street or the O'Hare area for Project located north of Madison Street, as established by the National Oceanic and Atmospheric Administration) or labor force strikes.

6) COMPENSATION OF OWNER'S REPRESENTATIVE; REIMBURSEMENT FOR EXPENSES

The Commission will compensate Owner's Representative for the Services in the amount and manner set forth on Schedule C.

7) RIGHTS AND OBLIGATIONS OF COMMISSION

a) General and Specific.

In connection with the administration of the Services by the Commission and the performance of this Agreement by Owner's Representative, the Commission has the following rights and obligations, in addition to those provided elsewhere in this Agreement:

- i) Information.** The Commission will provide Owner's Representative all information reasonably required concerning the Commission's requirements for the Project and the Services.

See Schedule A for more details.

iv) **Tests and Reports.** To the extent required for Owner's Representative to perform the Services, the Commission may furnish structural, civil, chemical, mechanical, results of test borings and pits for determining soil and subsoil conditions and/or other tests and reports or may issue written authorization to the Owner's Representative to procure such tests and reports from a Subcontractor or Subcontractors. See Schedule A for more details. The Commission will pay for such tests and reports, however, the Commission may direct Owner's Representative to procure such professional services as Reimbursable Expenses and submit invoices to the Commission for payment as provided in Schedule C.

b) Limited Exculpation of Owner's Representative.

Owner's Representative is not liable to the Commission under the provisions of subparagraphs and for the substantive content of such tests and reports obtained from a Subcontractor engaged by Owner's Representative and approved by the Commission, but only if Owner's Representative has exercised reasonable diligence in the selection of the Subcontractor and also only if Owner's Representative has caused the Subcontractor to purchase and maintain professional liability insurance in accordance with Schedule D, protecting the Commission, the User Agency, and Owner's Representative from any loss or claim arising out of the Subcontractor's performance. See Schedules A and D for detailed requirements.

c) Audits.

The Commission has the right to abstract and audit the books of Owner's Representative and its Subcontractors on all subjects relating to the Project and/or the Services.

d) Legal, Auditing and other Services.

The Commission will arrange and pay for such legal, auditing, insurance counseling and other services as the Commission, in its sole discretion, may determine to be required for the Project. Such payments will not include legal or auditing expenses arising out of or relating to any errors or omissions, or claimed errors or omissions, of Owner's Representative.

e) Designated Representatives.

The Commission may designate, at its sole discretion, one or more representatives authorized to act in its behalf. No extras or credits to Subcontractors will be authorized by anyone other than the Commission.

f) Ownership of Documents.

All designs, drawings, documents, data, studies and reports prepared by Owner's Representative or any party engaged by Owner's Representative, pertaining to the Project will be the property of the Commission.

8) INDEMNIFICATION

a) Indemnity by Third Parties.

The Commission will require, by appropriate provision in each contract let by the Commission after the date of this Agreement with respect to the Project and the Services that the contractor(s) and

consultant(s) under such contracts must indemnify, save and hold harmless the Commission, the User Agency and Owner's Representative, and each of them, and their respective commissioners, board members, officers, officials and employees, from all claims, demands, suits, actions, losses, costs and the like, of every nature and description, made or instituted by third parties, arising or alleged to arise out of the work under such contract, and that the contractor(s) and consultant(s) under such contracts will purchase and maintain during the life of such contract such insurance as the Commission may require. The amount and insurer for such insurance are subject to approval by the Commission.

b) Indemnification by Owner's Representative.

Owner's Representative must indemnify, defend, keep and save harmless the Commission and the User Agency and their respective commissioners, board members, officers, officials, officials and employees, from and against all claims, demands, suits, losses, costs and expenses, including the fees and expenses of attorneys, (including court costs and expert's fees) that may arise out of or be based on any injury to persons or property that is, or is claimed to be, the result of Owner's Representative's performance or non-performance of this Agreement or of any error, omission or negligent or willfully wrongful act of Owner's Representative, or and any person employed by Owner's Representative, or any Subcontractor retained by Owner's Representative in connection with the Project and the Services.

9) INSURANCE MAINTAINED BY OWNER'S REPRESENTATIVE

Owner's Representative will purchase and maintain at all times during the performance of Services, for the benefit of the Commission, the User Agency and Owner's Representative, insurance coverage which will insure the Commission, the User Agency and Owner's Representative against claims and liabilities which could arise out of the performance of such Services, including the insurance coverages set forth in Schedule D to this Agreement.

10) DEFAULT

a) Events of Default.

Each of the following occurrences constitutes an Event of Default by Owner's Representative under this Agreement:

- i) Failure or refusal on the part of Owner's Representative to duly observe or perform any obligation or agreement on the part of Owner's Representative contained in this Agreement, which failure or refusal continues for a period of 10 days (or such longer period as the Commission, in its sole discretion, may determine if such failure is not capable of being cured within such 10-day period) after the date on which written notice of it has been given to Owner's Representative by the Commission;
- ii) A materially false representation or warranty by Owner's Representative in this Agreement or throughout the performance of the Services.
- iii) Owner's Representative becomes insolvent or ceases doing business as a going concern, or makes an assignment for the benefit of creditors, or generally fails to pay, or admits in writing its inability to pay, its debts as they become due, or files a voluntary petition in bankruptcy, or is adjudicated a bankrupt or an insolvent, or files a petition seeking for itself any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar arrangement under any present or future statute, law or regulation relating to bankruptcy or insolvency, or files an answer admitting the material allegations of a petition

filed against it in any such proceeding, or applies for, consents to or acquiesces in the appointment of a trustee, receiver, liquidator or other custodian of it or of all or any substantial part of its assets or properties, or if it or its principals will take any action in furtherance of any of the foregoing;

- iv) Any proceeding is commenced against Owner's Representative seeking reorganization, arrangement, readjustment, liquidation, dissolution or similar relief under any present or future statute, law or regulation relating to bankruptcy which is not vacated, stayed, discharged, bonded or dismissed within 60 days following commencement of the proceeding, or appointment of, without Owner's Representative's consent or acquiescence, any trustee, receiver, liquidator or other custodian of all or any substantial part of Owner's Representative's assets and properties, and such appointment will not have been vacated, stayed, discharged, bonded or otherwise dismissed within 60 days of the appointment.
- v) Owner's Representative's material failure to perform any of its obligations under this Agreement including:
 - (1) Failure due to a reason or circumstance within Owner's Representative's reasonable control to perform the Services with sufficient personnel, and equipment or with sufficient material to ensure the performance of the Services;
 - (2) Failure to properly perform the Services or inability to perform the Services as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;
 - (3) Failure to promptly re-perform within a reasonable time the Services that were rejected per the Terms of this Agreement;
 - (4) Discontinuance of the Services for reasons within Owner's Representative's reasonable control;
 - (5) Failure to comply with a material term of this Agreement, including the provisions concerning insurance and nondiscrimination;
 - (6) Any change in ownership or control of Owner's Representative without prior written approval of the Executive Director which approval the Executive Director will not unreasonably withhold;
 - (7) Owner's Representative's default under any other agreement it presently may have or may enter into with the Commission. Owner's Representative acknowledges that in event of a default under this Agreement the Commission may also declare a default under any such other agreements.

b) Remedies.

If an Event of Default occurs and continues, then the Commission may exercise any right, power or remedy permitted to it by law or in equity and has, in particular, without limiting the generality of the foregoing, the right to terminate this Agreement upon written notice to Owner's Representative, in which event the Commission has no further obligations hereunder or liability to Owner's Representative except as to payment for Services actually received and accepted by the Commission through the effective date of termination. No courses of dealing on the part of the Commission or delay or failure on the part of the Commission to exercise any right will operate as a waiver of such right or otherwise prejudice the Commission's rights, powers or remedies.

c) Remedies Not Exclusive.

No right or remedy in this Agreement conferred upon or reserved to the Commission is exclusive of any right or remedy provided or permitted under this Agreement or by law or equity, but each is cumulative of every other right or remedy given in this Agreement or now or hereafter existing at law or in equity or by statute or otherwise, and may be enforced concurrently or from time to time.

11) DISPUTES

a) General.

All disputes arising under, related to or in connection with the terms of this Agreement or its interpretation, whether involving law or fact or both, including questions concerning allowability of compensation, and all claims for alleged breach of contract will be presented to the Authorized Commission Representative. Owner's Representative will present all disputes not resolved by the next Monthly Meeting in writing to the Executive Director for final determination.

b) Procedure.

Owner's Representative will make all requests for final determination of disputes in writing specifically referencing this Section, and will include: 1) the issue(s) presented for resolution; 2) a statement of the position of Owner's Representative; 3) the facts underlying the dispute; 4) reference to the applicable provisions of this Agreement by page and section; 5) identification of any other parties believed to be necessary to the resolution; and 6) all documentation which describes and relates to the dispute. Owner's Representative will promptly provide a copy of the request for final determination of the dispute to the Authorized Commission Representative. The Authorized Commission Representative will have 30 business days to respond in writing to the dispute by supplementing the submission or providing its own submission to the Executive Director. Failure by the Authorized Commission Representative to respond will not be an admission of any allegations made in the request for dispute resolution, but will constitute a waiver of the opportunity to respond to such allegation(s), if any. The Executive Director may thereafter reach his final determination in accordance with such other information or assistance as may be deemed reasonable, necessary or desirable.

c) Effect.

The Executive Director's final determination will be rendered in writing no more than 45 business days after the response by the Authorized Commission Representative was received or was due unless the Executive Director notifies Owner's Representative that additional time for the final determination is necessary. The Executive Director's final determination will be conclusive, final, and binding on all parties. Owner's Representative must follow the procedures set out in this Section and receive the Executive Director's final determination as a condition precedent to filing a complaint in the Circuit Court of Cook County or pursuing any alternative dispute resolution procedure that may be agreed by the parties. Owner's Representative will not withhold performance of any Services required by the Commission under this Agreement during the dispute resolution period provided in Section 11 DISPUTES of this Agreement.

d) Owner's Representative Self-Help Prohibited.

Owner's Representative must never withhold performance of its Services by, for example, refusing to review and approve appropriately submitted invoices or pay applications, timely to make recommendations on General Contractor claims, or promptly to issue other appropriate approvals needed by others where doing so would potentially harm third parties, such as Subcontractors, the General Contractor, or its subcontractors. Doing so to gain potential leverage in negotiating or settling Owner's Representative's claims against the Commission or User Agency will be considered

to be bad faith on Owner's Representative's part. This provision is not intended to prohibit Owner's Representative from exercising its well-considered professional judgment, however, in carrying out its duties and responsibilities under the Agreement.

12) CONFIDENTIALITY

All of the reports, information, or data prepared or assembled by Owner's Representative under this Agreement are confidential, and Owner's Representative must not make such reports, information or data available to any party without the prior written approval of the Commission. In addition, Owner's Representative must not, without the prior written consent of the Commission, prepare or distribute any news releases, articles, brochures, advertisements or other materials concerning this Agreement, the Project or the Services. If Owner's Representative is served with a subpoena requiring the production of documents or information which is deemed confidential, Owner's Representative will immediately notify the Commission in writing and provide a copy of the subpoena to the Commission in sufficient time for the Commission to attempt to quash, or take other action in relation to, the subpoena.

13) ASSIGNMENT

Owner's Representative acknowledges that the Commission is induced to enter into this Agreement by the personal and professional qualifications of the principals, staff and employees of Owner's Representative and, therefore, that neither this Agreement nor any right or obligation in this Agreement may be assigned by Owner's Representative, in whole or in part, without the prior written approval of the Commission. For purposes of this paragraph, if Owner's Representative transfers more than 50% of its equity ownership during any 12-month period, such a transfer is considered an assignment of this Agreement. In the event of an assignment by Owner's Representative without the prior written approval of the Commission, the Commission will have the right to immediately terminate this Agreement without fault or responsibility.

14) RELATIONSHIP OF PARTIES

Under this Agreement, the relationship of Owner's Representative to the Commission is that of an independent contractor, and Owner's Representative, except to the extent expressly provided to the contrary in this Agreement, will have no right or authority to make contracts or commitments for or on behalf of the Commission, to sign or endorse on behalf of the Commission any instruments of any nature or to enter into any obligation binding upon the Commission. This Agreement will not be construed as an agreement of partnership, joint venture, or agency.

15) GENERAL

a) Owner's Representative's Authority.

Owner's Representative represents that its execution of this Agreement is authorized by a resolution of its Board of Directors, if a corporation, or similar governing document if a partnership or a joint venture, and the signatures(s) of each person signing on behalf of Owner's Representative have been made with complete and full authority to commit Owner's Representative to all terms and conditions of this Agreement, including each and every representation, certification and warranty contained or incorporated by reference in it.

b) Counterparts.

This Agreement may be executed in any number of counterparts, any of which will be deemed an original.

c) Entire Agreement.

This Agreement constitutes the entire understanding and agreement between the parties to this Agreement and supersedes any and all prior or contemporaneous oral or written representations or communications with respect to the subject matter hereof, all of which communications are merged in this Agreement. This Agreement must not be modified, amended or in any way altered except by an instrument in writing signed by both of the parties.

d) Governing Law.

This Agreement has been negotiated and executed in the State of Illinois and will be construed under and in accordance with the laws of the State of Illinois.

e) No Waiver.

The waiver by either party of any breach of this Agreement will not constitute a waiver as to any succeeding breach.

f) Notices.

All notices required to be given under this Agreement must be given in writing and must be hand delivered or sent by United States certified or registered mail, postage prepaid, addressed to the Authorized Commission Representative and the Executive Director, if appropriate, or to Owner's Representative at their respective addresses set forth above, as appropriate. If given as provided in this Agreement, such notice is deemed to have been given on the date of delivery, if delivered by hand, and on the second business day after mailing, if given by mail. The Commission or Owner's Representative may, from time to time, change the address to which notices will be sent by giving notice to the other party in the manner provided in this subparagraph.

g) Non-liability of Public Officials.

No Commission board member, employee, officer, or official is personally liable to Owner's Representative or its Subcontractors, and Owner's Representative and its Subcontractors are not entitled to, and must not attempt to, charge any of them with liability or expense or hold them personally liable to Owner's Representative or its Subcontractors under this Agreement.

h) Severability.

If any provision of this Agreement is held to be invalid or unenforceable by a court of competent jurisdiction, such provision will be severed from this Agreement and such invalidity or unenforceability will not affect any other provision of this Agreement, the balance of which will remain in full force and effect; provided, however, that if such provision is deemed invalid or unenforceable as a matter of law, such provision will be deemed to have been modified so as to be valid and enforceable to the maximum extent permitted by law.

i) Successors and Assigns.

Except as otherwise provided in this Agreement, this Agreement is binding upon and inures to the benefit of each of the parties to this Agreement and their respective successors and assigns.

j) Non-appropriation of Funds.

If funds have not been appropriated in full or in part, the Commission has the right to terminate this Agreement.

(Attach additional pages of explanation to this Disclosure Affidavit, if necessary.)

If the letters "NA", the word "NONE" or no response appears on the lines above, it will be conclusively presumed that the Undersigned certified to the above statements.

B. Without the prior written consent of the Public Building Commission of Chicago, Contractor will not employ any subcontractor in connection with the contract or proposal to which this Affidavit pertains without obtaining from such subcontractor a certification similar in form and substance to the certification contained in Paragraph A of this Section III prior to such subcontractor's performance of any work or services or furnishing any goods, supplies or materials of any kind under the proposal or the contract to which this Affidavit pertains.

C. Until completion of the Contract's performance under the proposal or contract to which this Affidavit pertains, the Contractor will not violate any federal, state or local statute, regulation or other Environmental Restriction, whether in the performance of such contract or otherwise.

IV. CERTIFICATION OF COURT-ORDERED CHILD SUPPORT COMPLIANCE

For purpose of this Section IV, "SUBSTANTIAL OWNER" means any person who owns or holds a ten percent (10%) or more percentage of interest in the Contractor. If the Contractor is an individual or sole proprietorship, substantial owner means that individual or sole proprietorship. Percentage of interest includes direct, indirect and beneficial interests in the Contractor. Indirect or beneficial interest means that an interest in the Contractor is held by a corporation, joint venture, trust, partnership, association, state or other legal entity in which the individual holds an interest or by agent(s) or nominee(s) on behalf of an individual or entity. For example, if Corporation B holds or owns a twenty percent (20%) interest in Contractor, and an individual or entity has a fifty percent (50%) or more percentage of interest in Corporation B, then such individual or entity indirectly has a ten (10%) or percentage of interest in the Contractor. In this case, the response to this Section IV, must cover such individual(s) or entity. If Corporation B is held by another entity, then this analysis similarly must be applied to that next entity.

If Contractor's response in this Section IV is 1 or 2, then all of the Contractor's Substantial Owners must remain in compliance with any such child support obligations (1) throughout the term of the contract and any extensions thereof; or (2) until the performance of the contract is completed, as applicable. Failure of Contractor's Substantial Owners to remain in compliance with their child support obligations in the manner set forth in either 1 or 2 constitutes an event of default.

Check one:

1. No Substantial Owner has been declared in arrearage on his or her child support obligations by the Circuit Court of Cook County or by another Illinois court of competent jurisdiction.
2. The Circuit Court of Cook County or another Illinois court of competent jurisdiction has issued an order declaring one or more Substantial Owners in arrearage on their child support obligations. All such Substantial Owners, however, have entered into court-approved agreements for the payment of all such child support owed, and all such Substantial Owners are in compliance with such agreements.
3. The Circuit Court of Cook County or another Illinois court of competent jurisdiction has issued an order declaring one or more Substantial Owners in arrearage on their child support obligations and: (1) at least one such Substantial Owner has not entered into a court-approved agreement for the payment of all such child support for the payment of all such child support owed; or both (1) and (2).
4. There are no Substantial Owners.

V. INCORPORATION INTO CONTRACT AND COMPLIANCE

The above certification shall become part of any contract awarded to the Contractor set forth on page 1 of this Disclosure Affidavit and are a material inducement to the Public Building Commission of Chicago's execution of the contract, contract modification or contract amendment with respect to which this Disclosure Affidavit is being executed and delivered on behalf of the Contractor. Furthermore, Contractor shall comply with these certifications during the term and/or performance of the contract.

VI. VERIFICATION

Under penalty or perjury, I certify that I am authorized to execute this Disclosure Affidavit on behalf of the Contractor set forth on page 1, that I have personal knowledge of all the certifications made herein and that the same are true.

The Contractor must report any change in any of the facts stated in this Affidavit to the Public Building Commission of Chicago within 14 days of the effective date of such change by completing and submitting a new Disclosure Affidavit. Failure to comply with this requirement is grounds for your firm to be deemed non-qualified to do business with the PBCC. Deliver any such new Disclosure Affidavit to: Public Building Commission of Chicago, Director of Procurement, 50 W. Washington, Room 200, Chicago, IL 60602.

Shareholders Entitled to Vote and Voting Information

Only shareholders of record at the close of business on March 13, 2006, the record date for the Annual Meeting, are entitled to notice of and to vote at the Annual Meeting and any adjournments thereof. Each share of our common stock, par value \$0.001 per share, entitles the record holder to one vote on each matter to be voted on at the meeting. As of the record date, approximately 51,386,000 shares of our common stock were issued and outstanding. A majority of the shares of our common stock which are issued and outstanding and entitled to vote will constitute a quorum at the meeting.

Directors are elected by a plurality of the votes cast at a meeting at which a quorum is present. A plurality means that the nominees with the largest number of votes are elected as directors up to the maximum number of directors to be chosen at the meeting. The holders of a majority of the shares of common stock present in person or by proxy must vote in favor of the proposed Employee Stock Purchase Plan for it to be approved. Any other matters voted on at the meeting shall be determined by a majority of the votes cast.

If you mark "withhold authority" on your proxy card with respect to the election of a nominee for director, your vote will not count either "for" or "against" the nominee. If a broker or other person holding shares for you

does not vote on a proposal (broker non-votes), your shares will not be counted in determining the number of votes cast. Abstentions, however, will be considered to be votes cast. Votes withheld, abstentions and broker non-votes will be counted in determining whether a quorum is present at the meeting.

If you do not give directions on your proxy card and you return the signed card, the persons named in the proxy card will vote the shares at their discretion on all matters.

If you vote by proxy, you may revoke that proxy at any time before it is voted by attending the meeting in person and voting in person, by sending us a proxy bearing a later date, or by filing with the Secretary of the Company a written revocation at the principal executive offices of Navigant Consulting, Inc., 615 North Wabash Avenue, Chicago, Illinois 60611.

PROPOSAL 1:

ELECTION OF DIRECTORS

The Board of Directors is divided into three classes, with a class of directors elected each year for a three-year term. At the Annual Meeting two Directors, Mr. Thomas A. Gildehaus and Mr. Peter B. Pond, have been nominated for election to the Board. The Directors elected at the Annual Meeting will serve for a term of three years and until their successors are elected and qualified. Such term will expire at our Annual Meeting of Shareholders to be held in 2009. The persons named as proxies will vote for Mr. Gildehaus and Mr. Pond for election to the Board unless the proxy card is marked otherwise.

If either Mr. Gildehaus or Mr. Pond becomes unable or unwilling to serve, proxies will be voted for election of a person designated by the Board. The Board knows of no reason why either Mr. Gildehaus or Mr. Pond should be unable or unwilling to serve.

The Board of Directors recommends that shareholders vote **"FOR"** Mr. Gildehaus and Mr. Pond.

Board and Committee Meetings

The Board met eight times in 2005. All Directors attended at least 75% of the meetings of the Board and of the committees on which they served.

The Board of Directors has an Audit Committee which monitors the integrity of the Company's financial statements, financial reporting process and internal controls regarding finance, accounting and legal compliance; monitors the independence and performance of our independent accountants; provides an avenue of communication among the independent accountants, management, including internal audit, and our Board of Directors; and monitors significant litigation and financial risk exposure. The members of the Audit Committee are Messrs. Gildehaus (Chairman), Pond and Skinner and Ms. Jarrett, each of whom is independent as defined by the listing standards of the New York Stock Exchange ("NYSE") and applicable Securities and Exchange Commission ("SEC") rules. The Board of Directors has determined that Mr. Gildehaus meets the criteria as an "audit committee financial expert" as defined in applicable SEC rules. The Audit Committee met twelve times during 2005.

The Board of Directors has a Compensation Committee which reviews and monitors matters related to management development and succession; develops and implements executive compensation policies and pay for performance criteria for the Company; reviews and approves the initial and annual base salaries, annual incentive bonus and all long-term incentive awards of our Chairman of the Board and Chief Executive Officer; reviews and approves such compensation arrangements for all corporate officers and certain other key employees; approves stock-related incentives under our stock incentive and executive compensation plans, and exercises all powers of the Board of Directors under those plans other than the power to amend or terminate those plans; reviews and approves material matters concerning our employee compensation and benefit plans; and carries out such responsibilities as have been delegated to it under various compensation and benefit plans and such other responsibilities with respect to our compensation matters as may be referred to it by our Board of Directors or management. The members of the Compensation Committee are Messrs. Skinner (Chairman), Gildehaus and Pond and Ms. Jarrett, each of whom is independent as defined by the listing standards of the NYSE. The Committee's Report on Executive Compensation is included under the caption "Compensation Committee Report on Executive Compensation." The Compensation Committee met three times during 2005.

The Board has a Nominating and Governance Committee which identifies individuals qualified to become Board members and recommends to the Board director nominees for election at the next Annual Meeting of Shareholders. The Nominating and Governance Committee has approved guidelines and charters for the Board and its committees, as well as a Code of Business Standards and Ethics, all of which are posted on the Company's website (www.navigantconsulting.com). Copies of those documents are available upon request as described under "Other Information." The members of the Nominating and Governance Committee are Ms. Jarrett (Chairman), Mr. Skinner and Mr. Gildehaus, each of whom is independent as defined by the listing standards of the NYSE. The Nominating and Governance Committee met two times during 2005.

The Board of Directors has an Executive Committee, which can act in lieu of the Board of Directors as necessary. The members of the Executive Committee are Messrs. Goodyear (Chairman) and Skinner and Governor Thompson. The Executive Committee did not meet in 2005. Governor Thompson serves as the Board's Presiding Director.

While the Company has no formal policy regarding attendance by Directors at the Annual Meeting of Shareholders, the Company encourages its Directors to attend. With the exception of Mr. Skinner, who was serving on the Defense Base Closure Realignment Commission, all of the Directors attended the 2005 Annual Meeting of Shareholders.

Director Compensation

Each non-employee Director is paid an annual retainer of \$40,000 and a fee of \$1,500 for each Board meeting or Committee meeting attended, except that members of the Audit Committee are paid \$2,000 per Committee meeting attended. Each Committee Chairman is paid an additional annual retainer of \$10,000, except that the additional annual retainer for the Chairman of the Audit Committee is \$20,000. All Directors are reimbursed for travel expenses incurred in connection with attending Board and Committee meetings.

Each non-employee Director makes an election to receive his or her annual retainer in the form of either cash or stock options to purchase shares in the Company. The number of stock options received is determined by dividing the annual retainer by the market price on the date of grant in January of each year. Such stock options become fully exercisable on the first anniversary of the grant date.

Under the Company's Long-Term Incentive Plan, the Compensation Committee has the flexibility each year to establish the equity component of non-employee Directors' fees. For their service in 2005, non-employee Directors received an annual grant of 1,500 stock options and 3,500 shares of restricted stock. The stock options become fully exercisable and the restricted stock vests one year after the grant date. A non-employee Director elected for the first time will receive a one-time grant of an option to purchase 3,750 shares and 6,750 shares of restricted stock, in each case vesting pro rata over a three year period. In addition, the Compensation Committee also established equity ownership guidelines for non-employee Directors and associated time periods for compliance.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Governor Thompson, one of our Directors, is Chairman of the law firm of Winston & Strawn. Winston & Strawn has provided us in the past and may provide us in the future with legal representation.

Our President and Chief Operating Officer, Julie Howard, has a sister who was employed prior to February 2006 by the Company as a manager. Ms. Howard's sister's total compensation in 2005 was approximately \$79,000.

AUDIT COMMITTEE REPORT

Our Committee has reviewed and discussed with management of the Company the audited financial statements of the Company as of and for the year ended December 31, 2005 (the "Audited Financial Statements"). In addition, we have discussed with KPMG LLP, the independent registered public accounting firm for the Company, the matters required by Statement on Auditing Standards No. 61, as amended. The Committee also has received the written disclosures from KPMG LLP required by Independence Standards Board Standard No. 1, and we have discussed with that firm its independence from the Company. We also have discussed with the management of the Company, including internal audit, and KPMG LLP such other matters and received such assurances from them as we deemed appropriate. Based on the foregoing review and discussions and relying thereon, we have recommended to the Company's Board of Directors the inclusion of the Audited Financial Statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2005. The Committee appointed KPMG LLP to act as the Company's independent registered public accounting firm for 2006, subject to agreement on fees.¹

NOMINATING AND GOVERNANCE COMMITTEE REPORT

The Committee monitors and reviews new SEC rules and NYSE corporate governance standards as they are proposed, revised and adopted. The Committee approved corporate guidelines and committee charters that are intended to ensure compliance with the SEC rules and NYSE listing standards. Copies of these guidelines and charters are posted on the Company's website, www.navigantconsulting.com. In addition, the Committee approved a Code of Business Standards and Ethics (the "Code"), which is also posted on the Company's website.

The Committee reviews and makes recommendations to the Board as to whether individual directors are "independent" for purposes of applicable SEC corporate governance rules and NYSE listing standards. The Committee's review is based on all relevant facts and circumstances, as well as applicable criteria set forth in applicable SEC rules and NYSE listing standards. In addition, the Committee has developed certain "categorical standards" describing certain relationships that are considered immaterial and do not preclude a finding of "independence."

The following relationships are considered immaterial and do not preclude a finding of "independence":

1. The Director is affiliated with or employed by a company, partnership or other entity that receives payments from the Company for services in an amount which, in the current fiscal year, does not exceed the greater of (a) \$1 million or (b) two percent of such other company's consolidated gross revenues, provided, however, that solely for purposes of determining "audit committee independence," a director may not accept, directly or indirectly, a consulting, advisory or other compensatory fee from the Company in any amount (other than Director's and committee fees).
2. The Director is an employee, officer or director of a foundation, university or other non-profit organization to which the Company gives directly, or indirectly through the provision of services, less than \$250,000 during the year in question.
3. In addition, in any cases where payments are made by the Company "indirectly" to an immediate family member, as for example fees paid to a law firm in which such immediate family member is a partner, if such immediate family member disclaims and does not accept any share of such Company payments, the Board will not consider that such payments preclude the Director from being considered "independent" for all purposes, including service on the Company's Audit Committee.

A copy of these categorical standards is posted on the Company's website. Based on this review, the Committee has found and the Board has affirmed that all of the Company's current Directors except for Mr. Goodyear are "independent" within the meaning of the NYSE listing standards, and that all of the members of the Company's Audit Committee meet the SEC's more stringent standards for audit committee independence.

In February 2006, the Committee recommended to the Board that Mr. Gildehaus and Mr. Pond be reelected to the Company's Board of Directors to serve a term of three years. In considering the qualifications of future candidates for election to the Board of Directors, the Committee will consider all relevant factors, including judgment, character, reputation, education and experience, in relation to the qualifications of any alternate candidates and in relation to the particular needs of the Board, its committees and the Company as they exist at the time such candidates are considered. The Committee values diversity, including gender and race. The Committee will also consider each candidate's relationships, if any, with the Company, its Directors, officers, employees and shareholders, as well as any applicable criteria set forth in SEC rules, NYSE listing standards, and Delaware law. The Committee has not paid a fee to any third party to identify or evaluate potential nominees. The Committee will consider nominees for director recommended by shareholders on the same basis as candidates identified by the Committee, provided that the nominations are received by the Committee within the time frame established by the Company's By-laws for nominations by shareholders of director candidates

described under "Shareholder Proposals for the 2006 Proxy Statement." Recommendations should be sent to Navigant Consulting, Inc., 615 North Wabash Avenue, Chicago, Illinois 60611, Attention: Corporate Secretary.

PROPOSAL 2:

APPROVAL OF THE EMPLOYEE STOCK PURCHASE PLAN

Exhibit A to this proxy statement contains a proposed new Employee Stock Purchase Plan (the "ESPP"). If shareholder approval is received, the ESPP will be adopted by the Company. The following is a summary of the ESPP and is qualified in its entirety by reference to the full text of Exhibit A.

The Company's current employee stock purchase plan will expire on March 14, 2007. The Board of Directors believes that the replacement of the current plan with a new employee stock purchase plan is in the best interests of the Company and its shareholders. The ESPP will help give the Company the ongoing ability to attract and retain the employee and management talent necessary for the Company's continued success.

Description of the ESPP

Our current employee stock purchase plan was adopted by our Board of Directors on March 14, 1997 and was approved by the Company's shareholders on May 21, 1997. The plan was amended from time to time and will expire by its terms on March 14, 2007, ten years after its adoption by the Board. The replacement of the current plan with the new ESPP will enable eligible employees to continue to acquire a proprietary interest in the Company by purchasing shares of the Company's common stock through payroll deductions.

The new ESPP was adopted by our Board of Directors on February 21, 2006 and, if approved by shareholders, will become effective on January 1, 2007. The new ESPP will expire on the date that all of the shares available under the ESPP are issued to employees.

The maximum number of shares of our common stock that can be issued under the ESPP is 2,500,000 shares, subject to adjustment as described in the next sentence. In the event the Company pays a stock dividend or makes a distribution of shares, or splits up, combines, reclassifies or substitutes other securities for its outstanding shares of common stock, the Compensation Committee of the Board of Directors (the "Committee") will make an appropriate adjustment to the number of shares that may be purchased under the ESPP.

The ESPP will be administered by the Committee, which will have full power to construe and interpret the ESPP, and to establish and amend rules and regulations for its administration. The Committee also will have full authority to correct any defect or reconcile any inconsistency in the ESPP, and its decisions are final, conclusive and binding.

All employees of the Company and, if designated by the Board of Directors, its subsidiaries whose customary employment exceeds twenty hours per week are eligible to participate in the ESPP. An employee may not purchase common stock under the ESPP if after that purchase the employee would own 5% or more of the combined voting power or value of all classes of stock of the Company or any of its subsidiaries. In addition, no employee may acquire rights to purchase common stock under the ESPP at a rate which exceeds \$25,000 of fair market value of such common stock during a calendar year, to be determined in the manner provided by the applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code").

An eligible employee may become a participant in the ESPP by authorizing a payroll deduction on a form provided by the Committee. A request for payroll deductions by a participant will be effective the next Offering Date following the delivery of the authorization form to the Committee, provided that if the authorization form is delivered to the Committee less than 15 days prior to the Offering Date, it will become effective on the next Offering Date that is 15 or more days following delivery of the authorization form to the Committee. For purposes of the ESPP, "Offering Date" is defined as the date on which the Committee grants an eligible employee the right to purchase shares of common stock. A participant may elect to have deductions made from his or her pay on each payday at a whole number percentage rate between 1% and 15% of the compensation that he or she is entitled to receive. The deduction rate may be reduced or increased at any time during any "Offering Period" (the period between the Offering Date and the date on which the shares of common stock are to be purchased) by filing an authorization form with the Committee. Regardless of the level of deductions an employee elects, an employee may not purchase more than 7,000 shares of common stock during any Offering Period.

Unless the Committee otherwise determines, the amount withheld from the compensation of each participant during any payroll period will be forwarded to an agent appointed by the Committee. The agent will then purchase the Company's common stock periodically, and any shares so purchased will be held by the agent, subject to a participant's withdrawal or termination as discussed below. Cash dividends that are paid on common stock held by the ESPP will be used to purchase additional shares of the company's common stock. Any administrative or commission expenses incurred, or fees charged, by the agent will be paid by the Company. The purchase price of the common stock to be purchased with participants' payroll deductions will be equal to 85% of the fair market value of the common stock on the date the common stock is purchased. The fair market value of the common stock on a given date will be determined by the Committee based upon the reported closing sales price of the common stock on such date.

If the limit on the number of shares of common stock available to be purchased under the ESPP is reached, then the last purchase of common stock will be allocated among the participants pro rata based upon the number of shares that would have been purchased under the ESPP without the limitation.

A participant may elect to withdraw his or her shares or any cash credited to his or her account at any time. All of the cash deposits returned to the participant will be paid to him or her promptly after receipt of the notice of the withdrawal, without interest. Shares of common stock to be delivered to the participant will be registered in his or her name, or if the participant directs in writing to the Committee, in the name of the participant and the person designated by the participant, and will be delivered to the participant as soon as practicable after the request for withdrawal. If the participant wishes to sell shares of the common stock in his or her account, he or she may notify the Committee to sell the same, in which event all commission costs incurred in connection with the sale of the shares of common stock will be paid by the participant.

A participant may elect to stop participating in the ESPP at any time by notifying the Committee. As soon as practicable after the notice is received by the Committee, the participant will receive a distribution of all of his or her accumulated payroll deductions, without interest. If the participant stops participating in the ESPP, no further payroll deductions will be made on his or her behalf, except upon the filing of a new authorization form. Upon ceasing participation in the ESPP, a participant may reenter the ESPP on any subsequent Offering Date.

An employee must be employed by the Company or a subsidiary on the date the common stock is purchased in order to participate in the purchase for that Offering Period. If a participant becomes ineligible to participate in the ESPP at any time, all payroll deductions made on his or her behalf that have not been used to purchase shares of common stock will be returned to the participant as soon as practicable. After ceasing participation in the ESPP, a participant may reenter the ESPP no earlier than the first Offering Date on which the participant is again eligible to participate in the ESPP.

The Committee may amend the ESPP in any respect except that the maximum number of shares available for purchase may not be increased (except upon stock splits and dividends, combinations and similar events) and the class of corporations whose employees are eligible to participate may not be modified without shareholder approval. The Committee may terminate the ESPP at any time.

Federal Income Tax Consequences

The following provides a general summary of the federal income tax consequences to the Company of the ESPP. The discussion is general in nature and does not take into account a number of considerations which may apply in light of the circumstances of a particular participant under the ESPP. The income tax consequences under applicable state and local tax laws may not be the same as under federal income tax laws.

The ESPP is designed to qualify as an employee stock purchase plan under Section 423 of the Code. As a result, a participant in the ESPP will not recognize income and the Company will not be entitled to a deduction either at the time the participant elects to participate in the ESPP or at the time that the participant purchases common stock under the ESPP. When a participant sells or otherwise disposes of the common stock, the participant will recognize income. The character and amount of such income depends generally on the length of time such stock was held by the participant.

If an employee disposes of the common stock acquired under the ESPP after two years from the Offering Date and one year from the date the common stock was purchased, then the employee must treat as ordinary income the lesser of (i) the amount, if any, by which the fair market value of the common stock at the time of disposition exceeds the purchase price paid, or (ii) 15% of the fair market value of the common stock on the Offering Date. Any additional gain will be treated as long-term capital gain. The Company will not be allowed a deduction if the holding period requirements described in this paragraph are satisfied.

If an employee disposes of the common stock within two years from the Offering Date and one year from the date of purchase, then the employee must treat as ordinary income the excess of the fair market value of the common stock on the date of purchase over the purchase price. Any additional gain will be treated as long-term or short-term capital gain, depending upon whether the common stock was held for more than one year after the date of purchase. The Company will be entitled to a deduction equal to the ordinary income recognized by the employee.

The foregoing general tax discussion is intended for the information of shareholders considering how to vote with respect to this proposal and not as tax guidance to employees who participate in the ESPP. Employees are strongly urged to consult their own tax advisors regarding the federal, state, local, foreign and other tax consequences to them of participating in the ESPP.

Vote Required; Directors' Recommendation

The holders of a majority of the shares of common stock present in person or by proxy at the meeting must vote in favor of the proposed ESPP for it to be approved. The Board recommends that you vote **"FOR"** the approval of the ESPP.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

This report of the Compensation Committee describes the philosophy that underlies the cash and equity-based components of our executive compensation program. It also describes the details of each element of the program and the rationale for compensation paid to our Chief Executive Officer and other officers and key employees in general.

Compensation Philosophy and Objectives

The Committee believes that the compensation offered to the Company's Chief Executive Officer, other officers and key employees must be sufficient to attract, retain and fairly compensate highly qualified individuals. Executive compensation should be competitive and based on overall financial results, individual contributions and teamwork, with the objective that a fair relationship exists between executive pay and the creation of shareholder value. The Committee, among other things, considers the performance of the Company's operations, the compensation of officers and key employees of competitors and other companies, salary surveys of industry-related positions or positions at comparably sized companies and the salary history of the particular individual and other compensation then in place, including outstanding equity based awards.

The Committee determines compensation by using its subjective judgment and taking into account both qualitative and quantitative factors. No weights are assigned to such factors with respect to any compensation component. There is no singular objective formula by which compensation is determined and the decisions are ultimately subjective.

Annual Compensation

The compensation program has three elements:

- annual base salary;
- annual incentive compensation, which is based on certain performance objectives; and
- equity awards under the Company's incentive plans, which are based on both Company performance and individual performance.

Base Salary. Base salaries for the Chief Executive Officer, other officers and key employees are established based on the scope of the duties and responsibilities of each individual's position. The base salary of the Chief Executive Officer is reviewed annually in accordance with his employment agreement. Mr. Goodyear's employment agreement is described below in the section entitled "Management Compensation." Typically, other officers and key employees also have employment agreements specifying base salaries that are reviewed annually.

Annual Incentive Compensation. The Board has previously approved a compensation program based on certain financial performance criteria, including revenue growth, profitability and percentage performance of target goals. After a review of the Company's and individual performance, incentive compensation, if any, is paid to officers and employees in cash or restricted stock for the calendar year in which it was earned on or before March 15th of the following year. The incentive compensation is forfeited if an individual is not an active employee on the date incentive compensation is paid.

In 2004 the Company instituted a stock incentive program pursuant to which officers and senior employees will receive a specified portion of their annual incentive compensation in restricted stock in lieu of cash. The restricted stock is granted pursuant to the long-term incentive plan described below. Corporate officers, including the Chief Executive Officer, will receive 25% of their annual incentive compensation in the form of restricted stock with the option to take an additional 5% to 20% of their annual incentive compensation in restricted stock. The Company will grant an additional amount of restricted stock equal to a percentage of the value of the incentive compensation paid in restricted stock in lieu of cash. The Company has also established ownership guidelines for officers and senior employees as well as associated time periods for compliance.

Long-Term Incentive Plan. The Committee believes that equity compensation is an important component of the compensation offered by the Company and promotes long-term retention of its key employees, motivates high levels of performance and recognizes a key employee's contributions to the success of the Company. In addition, equity compensation aligns management's interests with those of our shareholders on a long-term basis.

The Committee recognizes that the Company conducts its business in an increasingly competitive environment. In order to remain competitive, it must employ the best and most talented key employees who possess demonstrated skills and experience. The Committee believes that equity compensation may give the Company an advantage in attracting and retaining such employees. The Committee also believes that the Company's long-term incentive plan is an important feature of the Company's executive compensation package. Under the plan, options, restricted stock and other forms of equity compensation may be granted to the Chief Executive Officer, other officers and key employees who are expected to make important contributions to the Company's future success. In reviewing the size of such equity grants, the Committee focuses primarily on the Company's performance and the perceived role of each person in accomplishing the Company's performance objectives, as well as the satisfaction of individual performance objectives.

Policy on Deductibility of Compensation

Code Section 162(m) prohibits us from deducting for federal income tax purposes any amount paid in excess of \$1,000,000 per year to our Chief Executive Officer or any of our four most highly paid executive officers, except that compensation above \$1,000,000 may be deducted if it is "performance-based compensation" within the meaning of the Code. The Committee believes that the Company's current compensation arrangements, which are primarily based on performance, are appropriate and in the Company's and its shareholders' best interests, without regard to tax considerations. Thus, if the tax laws or their interpretation change or other circumstances occur which might make some portion of the executive compensation non-deductible for federal tax purposes, the Committee does not plan to make significant changes in the basic philosophy and practices reflected in the Company's executive compensation program.

Chief Executive Officer's Compensation

The total compensation of Mr. Goodyear under his employment agreement and his annual incentive bonus approved by the Committee for 2005 are consistent with the compensation objectives described above. Employment Agreements

Effective January 1, 2003, the Company entered into an amended and restated employment agreement with its Chairman and Chief Executive Officer, Mr. Goodyear. The term of the employment agreement is indefinite. The employment agreement provides for an annual base salary, which is subject to adjustment from time to time, and does not limit Mr. Goodyear's bonus. The employment agreement provides, among other things, that if the Company terminates the executive for other than good cause (as defined in the agreement) or Mr. Goodyear terminates his employment for good reason (as defined in the agreement), then the Company will pay to Mr. Goodyear an amount equal to the sum of two times his base salary and two times his average annual bonus for the immediately preceding three years. However, if Mr. Goodyear terminates his own employment other than for good reason, the Company would have no further obligation to Mr. Goodyear other than the obligation to pay him his base salary through the date of termination and any other compensation and benefits then due. In the event of Mr. Goodyear's termination of employment following a change in control (as defined in the agreement) for any reason, the Company shall pay to Mr. Goodyear an amount equal to three times the sum of (a) his base salary and (b) his average annual bonus for the immediately preceding three years.

The employment agreement with Ms. Howard, our President and Chief Operating Officer, is for a rolling one-year period, such that the remainder of the term shall always be one full year, provides for an annual base salary, which is subject to adjustment from time to time, and an annual bonus opportunity. The employment agreement provides, among other things, that if the Company terminates Ms. Howard for other than cause (as defined in the agreement) or Ms. Howard terminates her employment for good reason (as defined in the agreement), then the Company will pay to Ms. Howard an amount equal to the sum of her base salary and the average of her annual bonus for the immediately preceding three years. However, if Ms. Howard terminates her own employment other than for good reason, the Company would have no further obligation to Ms. Howard other than the obligation to pay her base salary through the date of termination and any other compensation and benefits then due. The agreement also provides that if Ms. Howard's employment is terminated for any reason during the one year period following a change in control (as defined in the agreement), or if such employment is terminated by Ms. Howard for any reason during the period beginning six months and ending twelve months following a change in control (as defined in the agreement), then the Company shall pay to Ms. Howard an amount equal to two times the sum of (a) her base salary and (b) her average annual bonus for the immediately preceding three years.

The employment agreement with Mr. Perks, our Executive Vice President and Chief Financial Officer, is for a rolling two-year period, such that the remainder of the term shall always be two full years, provides for an

annual base salary, which is subject to adjustment from time to time, and an annual bonus opportunity. The employment agreement provides, among other things, that if the Company terminates Mr. Perks for other than cause (as defined in the agreement), or Mr. Perks terminates his employment for good reason (as defined in the agreement), then the Company will pay to Mr. Perks an amount equal to the sum of 1.5 times his base salary plus the annual bonus most recently paid to him and a pro rata bonus for the calendar year of termination. However, if Mr. Perks terminates his own employment other than for good reason, the Company would have no further obligation to Mr. Perks other than the obligation to pay his base salary through the date of termination and any other compensation and benefits then due. The agreement also provides that if Mr. Perks' employment is terminated for any reason during the one year period following a change in control (as defined in the agreement) or if such employment is terminated by Mr. Perks for any reason during the period beginning six months and ending twelve months following a change in control (as defined in the agreement), then the Company shall pay to Mr. Perks an amount equal to two times the sum of (a) his base salary and (b) his average annual bonus for the immediately preceding three years.

The employment agreement with Mr. Steptoe, our Vice President, General Counsel and Secretary, is for a rolling one-year period, such that the remainder of the term shall always be one full year, provides for an annual base salary, which is subject to adjustment from time to time, and an annual bonus opportunity. The employment agreement provides, among other things, that if the Company terminates Mr. Steptoe for other than cause (as defined in the agreement) or Mr. Steptoe terminates his employment for good reason (as defined in the agreement), then the Company will pay to Mr. Steptoe an amount equal to the sum of his base salary and the average of his annual bonus for the immediately preceding three years. However, if Mr. Steptoe terminates his own employment other than for good reason, the Company would have no further obligation to Mr. Steptoe other than the obligation to pay him his base salary through the date of termination and any other compensation and benefits then due. The agreement also provides that if Mr. Steptoe's employment is terminated for any reason during the one year period following a change in control (as defined in the agreement), or if such employment is terminated by Mr. Steptoe for any reason during the period beginning six months and ending twelve months following a change in control (as defined in the agreement), then the Company shall pay to Mr. Steptoe an amount equal to two times the sum of (a) his base salary and (b) his average annual bonus for the immediately preceding three years.

Subject to the enrollment limitations of Section 6, each individual who becomes an Employee after the Effective Date will be eligible to participate on the Offering Date coincident with or next following the day the individual becomes an Employee.

IV. ADMINISTRATION

The Plan will be administered by the Committee, which must consist of at least two members of the Board. Subject to the provisions of the Plan, the Committee will be vested with full authority to make, administer, and

interpret rules and regulations that it deems necessary to administer the Plan, and any determination, decision, or action of the Committee in connection with the construction, interpretation, administration, and application of the Plan will be final, conclusive, and binding upon all Participants and upon any and all persons claiming under or through any Participant. Notwithstanding anything to the contrary in the Plan, the Committee will have the discretion to modify the terms of the Plan with respect to Participants who reside outside of the United States or who are employed by a subsidiary of the Company that has been formed under the laws of any foreign country, as and to the extent necessary to conform those terms to the requirements of local laws.

V. STOCK

(a) The Common Stock to be sold to Participants under the Plan may, at the election of the Company, be either treasury shares, shares acquired on the open market, or shares originally issued for sale under the Plan. The aggregate number of shares of Common Stock available for purchase under the Plan is 2,500,000 shares of Common Stock. Notwithstanding the foregoing, the aggregate number of shares of Common Stock available will be subject to adjustment upon changes in capitalization of the Company as provided in subparagraph (b) below. If the total number of shares that otherwise would have been acquired under the Plan on any Purchase Date exceeds the number of shares of Common Stock then available under the Plan, the Company will make a pro rata allocation of the shares remaining available in as nearly a uniform manner as is practicable and as it determines to be equitable. In such an event, the payroll deductions to be made pursuant to the Participants' authorizations will be reduced accordingly, or refunded to the Participants, as the case may be, and the Company will give written notice of the reduction or refund to each affected Participant.

(b) In order to give effect to any mergers, consolidations, acquisitions, reorganizations, stock splits, stock dividends, or other relevant changes in the capitalization of the Company occurring after the Effective Date, the Committee will make appropriate adjustments in the aggregate number of shares of Common Stock available for purchase under the Plan. The establishment of the Plan will not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations, or changes in its capital or business structure or to merge, consolidate, dissolve, liquidate, sell, or otherwise transfer all or any part of its business or assets. The Committee will have the sole discretion to make adjustments under this Section 5, and its decision will be binding and conclusive on all persons.

(c) A Participant will not have any interest in shares covered by his authorized payroll deduction until shares of Common Stock are acquired for his Account.

VI. PARTICIPATION

(a) Each Employee may become a Participant in the Plan by authorizing a payroll deduction on a form provided by the Committee. The authorization will become effective on the next Offering Date that is at least fifteen days after the date the Committee receives it; so long as the Employee is then still an Employee. Notwithstanding the foregoing, the Committee may adopt rules that permit certain Employees' payroll deduction authorizations to become effective at a selected time or times during an Offering Period, so long as the Committee applies those rules uniformly to all similarly situated Employees.

(b) An Employee's authorization for a payroll deduction will apply to each paycheck that he receives and will remain in effect until the Participant files a new authorization, withdraws from the Plan or otherwise becomes ineligible to participate in the Plan. Authorized payroll deductions may range from a minimum of one percent to a maximum of fifteen percent of the Participant's Compensation. The Participant may, at any time during any Offering Period, reduce his rate of payroll deduction by filing an authorization form with the Committee, and the Participant may, at any time during any Offering Period, increase the rate of his payroll deduction by filing an authorization form with the Committee. New deduction rates will become effective as soon as practicable after the authorization form is filed with the Committee.

(c) All Compensation deductions made for a Participant will be credited to his Account. Except as may otherwise be provided by the Committee under Section 4, a Participant may not make any separate cash payment into his Account.

VII. PURCHASE OF SHARES

(a) On the date when a Participant's authorization form for a deduction becomes effective, and on each Offering Date thereafter, he will be deemed to have been granted an option to purchase as many full shares of Common Stock as he will be able to purchase with the Compensation deductions credited to his Account during the payroll periods within the Offering Periods for which the Compensation deductions are made, subject to the limit set forth in Subsection (i) of Section 15. In addition, any cash dividends paid on shares of Common Stock held in the Participant's Account will be added to the Account, and used to purchase Common Stock as otherwise provided in the Plan.

(b) The per share purchase price for the Common Stock to be purchased with payroll deductions from the Participant will equal eighty-five percent of Fair Market Value on the Purchase Date.

VIII. TIME OF PURCHASE

From time to time, the Committee will grant each Participant an option to purchase shares of Common Stock in an amount equal to the number of shares of Common Stock that the accumulated payroll deductions to be credited to his Account during the Offering Period may purchase at the applicable purchase price, subject to the limit set forth in Subsection (i) of Section 15. The Committee will specify the duration of each Offering Period, but in no event will an Offering Period be shorter than one month or longer than twenty-seven months. Each Participant who elects to purchase shares of Common Stock hereunder will be deemed to have exercised his option automatically on the Purchase Date that ends each Offering Period. The Company will pay administrative and commission costs on purchases. The Committee will cause to be delivered periodically to each Participant a statement showing the aggregate number of shares of Common Stock in his Account, the number of shares of Common Stock purchased for him in the preceding Offering Period, his aggregate Compensation deductions for the preceding Offering Period, the price per share paid for the shares of Common Stock purchased for him during the preceding Offering Period, and the amount of cash, if any, remaining in his Account at the end of the preceding Offering Period.

A Participant may request delivery to him of the cash in his Account or of the shares of Common Stock held in his Account at any time (subject to any limitations imposed by Section 16(b) of the Securities Exchange Act of 1934). The Company or its transfer agent will determine the regular time for delivery of any cash or shares of Common Stock. If a Participant requires delivery at a time other than the normal transfer date set by the Company or its transfer agent, the Participant will pay the costs of delivery. The Company will pay all of the cash deposits in a Participant's Account promptly after the Company receives notice of withdrawal, without interest. Shares of Common Stock to be delivered to a Participant under the Plan will be registered in the name of the Participant or, if the Participant so directs in writing to the Committee, in the name of the Participant and any person(s) designated by the Participant, to the extent permitted by applicable law, and delivered to the Participant as soon as practicable after the request for a withdrawal. If a Participant wishes to sell the shares of Common Stock in his Account, he may notify the Committee to sell them and distribute the proceeds to him, net of all commission costs incurred in connection with the sale of Common Stock. The Company will pay administrative costs associated the sale of Common Stock in a Participant's Account, other than costs arising from a sale occurring at a time different from the prearranged dates set by the Company or its transfer agent for making a sale of Common Stock.

IX. CESSATION OF PARTICIPATION

A Participant may stop participating in the Plan at any time by notifying the Committee in writing of his intent to do so. The Company will distribute to the Participant all of his accumulated payroll deductions, without

interest, as soon as practicable after the Committee receives notice of his intent to stop participating. No further Compensation deductions will be made on behalf of a Participant after the effective date of his cessation of participation, except in accordance with a new authorization form filed with the Committee as provided in Section 6. Notwithstanding anything herein contained to the contrary, if a Participant stops participating in the Plan, he will not be eligible to participate in the Plan again until the next Offering Date following the date his participation ceased.

X. INELIGIBILITY

An Employee must be employed by an Employer on the Purchase Date in order to participate in the purchase for that Offering Period. If an option expires without first having been exercised, all funds credited to the Participant's Account will be refunded without interest. If a Participant becomes ineligible to participate in the Plan at any time, the Company will pay him, as soon as practicable, all Compensation deductions made on his behalf but not yet used to purchase shares of Common Stock. After ceasing participation in the Plan, a Participant may reenter the Plan no earlier than the Offering Date that is coincident with or next follows the date he is again eligible to participate in the Plan.

XI. DESIGNATION OF BENEFICIARY

A Participant may name a beneficiary or beneficiaries to receive any shares of Common Stock (or remaining Compensation deductions) credited to the Participant's Account under the Plan at the Participant's death. To name a beneficiary, a Participant must file the beneficiary designation form prescribed by the Committee with the Company, in the manner and at the time specified by the Committee. A Participant may change a beneficiary designation by filing a new one with the Committee. If one or more beneficiaries properly designated by the Participant are alive at the Participant's death, the Company will pay any Common Stock and cash in the Participant's Account at his death to that beneficiary or beneficiaries. If the Participant dies without having named a beneficiary, or if all the Participant's beneficiaries predecease the Participant, the Company will pay any Common Stock and cash in the Participant's Account at his death to the executor or administrator of the Participant's estate, or if no executor or administrator has been appointed, the Company, in its sole discretion, may deliver the shares and cash to the Participant's spouse or to any one or more dependents or relatives of the Participant, or to another person or persons the Company designates on behalf of the Participant's estate.

XII. TRANSFERABILITY

Neither Compensation deductions credited to a Participant's Account nor any rights with regard to Plan participation or the right to purchase shares of Common Stock under the Plan may be assigned, transferred, pledged, or otherwise disposed of in any way by a Participant other than by will or the laws of descent and distribution. Any attempted assignment, transfer, pledge, or other disposition will be void and without effect.

XIII. AMENDMENT OR TERMINATION

The Committee may, without further action on the part of the stockholders of the Company, at any time amend the Plan in any respect, or terminate the Plan, except that the Committee may not, without consent of the stockholders:

- (a) permit the sale of more shares of Common Stock than are authorized under Section 5;
- (b) change the class of Affiliates to whose Employees are eligible to participate in the Plan; or
- (c) effect a change inconsistent with Section 423 of the Code or the regulations issued thereunder.

XIV. NOTICES

All notices or other communications by a Participant under or in connection with the Plan will be deemed to have been duly given when received in writing by the person designated by the Committee or when received in the form specified by the Committee at the location and by the person designated by the Committee for the receipt thereof.

XV. LIMITATIONS

Notwithstanding any other provisions of the Plan, the provisions of the following subsections will apply:

(a) The Company intends that this Plan will constitute an employee stock purchase plan within the meaning of Section 423 of the Code. Any provisions required to be included in the Plan under Section 423, and under regulations issued thereunder, are hereby included as though set forth in the Plan at length.

(b) No Employee will be entitled to participate in the Plan if, immediately after the grant of an option hereunder, the Employee would own stock possessing five percent or more of the total combined voting power or value of all classes of stock of the Company or an Affiliate. For purposes of this Section 15, stock ownership will be determined under the rules of Section 424(d) of the Code and stock that the Employee may purchase under outstanding options will be treated as stock owned by the Employee.

(c) No Employee will be permitted to purchase Common Stock hereunder if his right and option to purchase Common Stock under this Plan and under all other employee stock purchase plans (as defined in Section 423 of the Code) of the Company or any Affiliates would result in an entitlement to purchase Common Stock in any one calendar year in excess of a fair market value of \$25,000 (determined at the time of grant).

(d) All Employees will have the same rights and privileges under the Plan, except that the amount of Common Stock that may be purchased pursuant to the Plan will bear a uniform relationship to an Employee's Compensation. All rules and determinations of the Committee will be uniformly and consistently applied to all persons in similar circumstances.

(e) Nothing in the Plan will confer upon any Employee the right to continue in the employment of the Company or any Affiliate or affect the right that the Company or any Affiliate may have to terminate the employment of any Employee.

(f) No Participant will have any right as a stockholder unless and until certificates for shares of Common Stock are issued to him or allocated to his Account.

(g) The Plan is intended to provide shares of Common Stock for investment and not for resale. The Company does not, however, intend to restrict or influence any Participant in the conduct of his own affairs. A Participant, therefore, may sell shares of Common Stock purchased under the Plan at any time he chooses, subject to compliance with any applicable federal or state securities laws or any applicable Company restriction periods. Notwithstanding the foregoing, because of certain federal tax requirements, each Participant agrees, by entering the Plan:

(i) promptly to give the Company notice of any shares of Common Stock disposed of within two years after the date of grant of the applicable option, or within one year after the Purchase Date, and the number of any shares disposed of (a "disqualifying disposition");

(ii) that the Company may withhold, pursuant to Code §§3102, 3301, and 3402, from his wages and other cash compensation paid to him in all payroll periods following in the same calendar year, any additional taxes for which the Company may become liable in respect of amounts includable in his income as additional compensation as a result of a disqualifying disposition, or as a result of the acquisition of Common Stock under the Plan; and

(iii) that he will repay the Company the amount of additional taxes for which the Company may become liable in respect of amounts includable in the Participant's income as additional compensation as a result of a disqualifying disposition, or as a result of the acquisition of Common Stock under the Plan, that cannot be satisfied by withholding from the wages and other cash compensation paid to him by the Company.

(h) This Plan is intended to comply in all respects with applicable law and regulations, including Rule 16b-3 of the Securities and Exchange Commission. In case any one or more provisions of this Plan is held invalid, illegal, or unenforceable in any respect under applicable law and regulation (including Rule 16b-3), the validity, legality, and enforceability of the remaining provisions will not in any way be affected or impaired thereby and the invalid, illegal, or unenforceable provision will be deemed null and void. Notwithstanding the foregoing, to the extent permitted by law, any provision that could be deemed null and void will first be construed, interpreted, or revised retroactively to permit this Plan to be construed in compliance with all applicable law (including Rule 16b-3), so as to further the intent of this Plan. Notwithstanding anything herein to the contrary, if necessary to comply with the rules promulgated under Section 16(b) of the Securities Exchange Act of 1934, as amended from time to time, Participants who are officers and directors for purposes of that Section 16(b) and those rules will not be permitted to direct the sale of any Common Stock purchased hereunder until at least six months have elapsed from the date of a purchase hereunder, unless the Committee determines that the sale of the Common Stock otherwise satisfies the then current Rule 16b-3 requirements.

(i) Notwithstanding anything contained herein to the contrary, the maximum number of shares of Common Stock that may be purchased by any Employee during any Offering Period must not exceed 7,000, subject to adjustment in the manner described in Subsection (b) of Section 5. If the maximum number of shares of Common Stock is purchased by an Employee during any Offering Period and cash remains credited to the Employee's Account, the cash will be delivered as soon as practicable to that Employee.

XVI. EFFECTIVE DATE AND APPROVALS

The Plan will become effective as of January 1, 2007, provided that the Plan has been adopted by the Board on or prior to such date. Notwithstanding the foregoing, the Plan must be approved by the holders of a majority of the outstanding shares of Common Stock of the Company, which approval must occur within twelve months before or after the date the Plan is adopted by the Board. In the event stockholder approval is not obtained, the Plan will terminate and have no further force or effect, and all amounts collected from the Participants during any initial Offering Period(s) hereunder will be refunded.

XVII. APPLICABLE LAW

All questions pertaining to the validity, construction, and administration of the Plan will be determined in conformity with the laws of Illinois, to the extent not inconsistent with Section 423 of the Code and the regulations thereunder.

Special Conditions Regarding Remedial Program for
Utilization of Minority Business Enterprise ("MBE"),
Women Business Enterprise ("WBE") and
Economically Disadvantaged Firms

SECTION 1

INTRODUCTION

SECTION 1.1 In February 1992 the Board of Commissioners (the "Board") of the Public Building Commission of Chicago (the "Commission") adopted a Remedial Program for Utilization of MBE and WBE firms (the "Program") as a means of providing open access to the award of Commission Contracts and to remedy the effects of racial and sexual discrimination which have placed such firms at a competitive disadvantage in the award of Commission Contracts.

SECTION 1.2 In 2003, District Judge James B. Moran in the case *Builders Association of Greater Chicago v. City of Chicago*, No. 96 C 1122 (N.D. Ill.) held that the evidence introduced at trial demonstrated that past and current discriminatory practices continue to place MBE and WBE firms at a competitive disadvantage in the award of governmental contracts and such practices have and continue to impede the growth and success of MBE and WBE firms.

SECTION 1.3 The Commission has a compelling interest in preventing public funds from perpetuating the past and current discrimination against MBE and WBE firms which currently exist in the market.

SECTION 1.4 The February 1992 Program adopted by the Commission has not been sufficient to ameliorate the effects of racial and gender discrimination in the marketplace.

SECTION 1.5 The remedies adopted herein by the Commission will not overly burden non-MBE and non-WBE firms in the award of Commission Contracts.

SECTION 1.6 The Commission will periodically review MBE and WBE participation on contracts awarded by the Commission to insure that the Commission continues to have a compelling interest in remedying discrimination against MBE and WBE firms in the award of Commission Contracts and that the measures adopted herein remain narrowly tailored to accomplish that objective.

SECTION 2

POLICY STATEMENT

SECTION 2.1 It is the policy of the Commission to ensure competitive business opportunities for MBE and WBE firms in the performance of Contracts, to prohibit discrimination in the award of or participation in Contracts, and to abolish arbitrary barriers to full participation in Contracts by all persons, regardless of race, sex or ethnicity. Therefore, during the performance of this Contract, the Contractor must agree that it shall not discriminate against any person or business on the basis of race, color, religion, ancestry, age, marital status, physical or mental handicap, unfavorable discharge from military service, parental status, sexual orientation, national origin or sex, in the solicitation or the purchase of goods and services or the subcontracting of work in the performance in this Contract.

SECTION 2.2 The Commission shall require the Contractor also agrees to take affirmative action to ensure that MBE and WBE firms shall have the maximum opportunity to compete for and perform subcontracts with respect to this Contract.

SECTION 3

SECTION 3.1 For purposes of this Special Condition, the following definitions shall apply:

- (a) "Affiliate" of a person or entity means a person or entity that directly or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with the person or entity. Affiliates shall be considered together in determining whether a firm is a Small Business Enterprise.
- (b) "Broker" means a person or entity that fills orders by purchasing or receiving supplies from a third party supplier rather than out of existing inventory and provides no commercially useful function other than acting as a conduit between a supplier and a customer.
- (c) "Certification" or "Certified" shall mean a person or entity qualified or granted certification as a Minority Business Enterprise (MBE) or Woman Business Entity (WBE) by the City of Chicago.

(d) "Commercially useful function" means responsibility for the execution of a distinct element of the work of the contract which is carried out by actually performing, managing and supervising the work involved or fulfilling responsibilities as a joint venture.

Joint ventures must have an agreement in writing specifying the terms and conditions of the relationships between the parties and their relationship and responsibilities to the contract.

(m) "Local business enterprise" means, for purposes of Certification, a business entity located within the counties of Cook, DuPage, Kane, Lake, McHenry or Will in the State of Illinois (the "Six County Region"), which has the majority of its regular, full time work force located within the Six County Region.

(n) "Minority-owned business enterprise" or "MBE" means a small local business enterprise which is at least 51 percent owned by one or more economically disadvantaged minority persons, or in the case of a publicly held corporation at least 51 percent of all classes of the stock of which is owned by one or more economically disadvantaged minority persons whose management, policies, major decisions and daily business operations are independently managed and controlled by one or more economically disadvantaged minority persons.

assets held jointly with his or her spouse, an individual's personal net worth includes only that individual's share of such assets. An individual's net worth also includes the present value of the individual's interest in any vested pension plans, Individual Retirement Accounts, 401(K) accounts or other retirement savings or investment programs less the tax and interest penalties that would be imposed if the asset were distributed at the present time.

SECTION 4

ASPIRATIONAL AND CONTRACT SPECIFIC GOALS

SECTION 4.1 Upon the effective date of these Special Conditions, the bi-annual aspirational goals shall be to award 24 percent of the annual dollar value of all Commission Construction Contracts to certified MBEs and 4 percent of the annual dollar value of all Commission Contracts to qualified WBEs and 25 percent of the annual dollar value of all other Commission Contracts to certified MBEs and 5 percent of the annual dollar value of the all other Commission Contracts to certified WBEs.

The Commission shall establish subsequent bi-annual aspirational goals for the award of Commission Contracts based on the best available evidence. Quotas are hereby prohibited.

SECTION 4.2 As one method to achieve the aspirational goals, the Executive Director is authorized to establish contract specific goals for MBE and WBE participation for each contract let through competitive bidding. Contract specific goals shall be based on normal industry practice, as determined in consultation with other governmental agencies, the scope of work of the contract, the availability of at least three MBEs and three WBEs to perform the functions of those individual contracts, and the Commission's progress to date towards meeting the bi-annual, aspirational goals of Section 4.1. The Executive Director shall implement administrative procedures to establish contract-specific goals.

SECTION 4.3 Each Bidder's commitment to utilization of certified MBE and WBE firms shall be considered as further evidence of the responsibility of the Bidder. SECTION 4.4 Failure to carry out the commitments and policies set forth in this Program shall constitute a material breach of contract and may result in termination of the Contractor or such other remedy as the Commission deems appropriate.

SECTION 5

RACE AND GENDER-NEUTRAL MEASURES

SECTION 5.1 The Commission shall develop and use race and gender-neutral measures to facilitate the participation of small business enterprises in Commission Contracts. Race and gender-neutral measures shall be used to the maximum feasible extent to meet the bi-annual aspirational goals established in Section 4.1. These measures may include, but are not limited to:

SECTION 6

CONTRACT PROVISION

SECTION 6.1 Each Commission Contract let through competitive bidding with an estimated value in excess of \$5,000 for which contract specific goals have been established shall contain the following requirements:

- (a) Include with the bid specifications for each competitively bid contract a list of certified MBEs and WBEs that are available to perform the work required by the specifications or otherwise make such a list available to potential contractors.
- (b) A description of this Special Condition and the program including the requirement of an approved compliance plan; the requirements related to achieving the goals and counting MBE or WBE participation towards meeting the goals; if goals are not met, the requirement of documentation of the Contractor's good faith efforts to achieve the goals including the good faith efforts of MBEs and WBEs to achieve the goal for which they do not qualify; and a requirement that the Contractor commit to the expenditure of at least the dollar value of the contract specific goals with one or more MBEs and one or more WBEs or make good faith efforts to do so. This commitment may be met by the contractor's status as a MBE or WBE, a joint venture with one or more MBEs or WBEs as prime contractor (to the extent of the MBE's or WBE's participation in such joint venture), subcontracting a portion of the work to one or more MBEs or WBEs, purchasing materials or services for the work from one or more MBEs or WBEs or by any combination of the foregoing;
- (c) A requirement that prime contractors on Commission construction contracts notify MBEs and WBEs utilized on those contracts about opportunities on contracts without affirmative action contracting goals;
- (d) A requirement that where the Contractor cannot achieve the contract specific goals it must document its good faith efforts to do so. In determining whether the contractor has made such good faith efforts, the performance of other contractors in meeting the goals may be considered. The Executive Director or his designee shall consider, at a minimum, the Contractor's efforts to do the following:
 - (i) Soliciting through reasonable and available means the interest of MBEs or WBEs that have the capability to perform the work of the contract. The contractor must solicit this interest within sufficient time to allow the MBEs or WBEs to respond. The contractor must take appropriate steps to follow up initial solicitations with interested MBEs or WBEs.

(ii) Provide interested MBEs or WBEs with adequate information about the plans, specifications and requirements of the contract, including addenda, in a timely manner to assist them in responding to the solicitation.

(iii) Negotiating in good faith with interested MBEs or WBEs that have submitted bids. Documentation of negotiation must include the names, addresses and telephone numbers of MBEs or WBEs that were solicited; the date of each such solicitation; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and evidence as to why agreements could not be reached with MBEs or WBEs to perform the work. That there may be some additional costs involved in solicitation and using MBEs and WBEs is not a sufficient reason for a contractor's failure to meet the goals, as long as such costs are reasonable.

(iv) Not rejecting MBEs or WBEs as being unqualified without sound reasons based on the thorough investigation of their capabilities. The MBEs' or WBEs' standing within its industry, membership in specific groups, organizations, or associations and political or social affiliations are not legitimate causes for rejecting or not soliciting bids to meet the goals.

(v) Making a portion of the work available to MBE or WBE subcontractors and suppliers and to select those portions of the work or material consistent with the available MBE or WBE subcontractors and suppliers, so as to facilitate meeting the goals.

(vi) Making good faith efforts despite the ability or desire of a Contractor to perform the work of a contract with its own organization. A Contractor that desires to self-perform the work of a contract must demonstrate good faith efforts unless the goals have been met.

(vii) Selecting portions of the work to be performed by MBEs or WBEs in order to increase the likelihood that the goals will be met. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate MBE or WBE participation even when the Contractor might otherwise prefer to perform these work items with its own forces.

(viii) Making efforts to assist interested MBEs or WBEs in obtaining bonding lines of credit or insurance as required by the Commission or Contractor.

(ix) Making efforts to assist interested MBEs or WBEs in obtaining necessary equipment, supplies, materials or related assistance or services, including participation in a mentor-protégée program; and

- (x) Effectively using the services of the Commission; minority or women community organizations; minority or women contractors' groups; local, state and federal minority or women business assistance offices; and other organizations to provide assistance in the recruitment and placement of MBEs or WBEs.
- (e) Provide a procedure whereby the Contractor may protest the determination that it did not make good faith efforts.
- (f) Negotiate with any Contractor whose contract is in excess of \$25,000 in value and is not awarded by competitive bidding a commitment, where practicable, to meet at least the aspirational goals as percentages of the dollar value of the contract.
- (g) Include MBEs and WBEs on solicitation mailing lists and encourage that they be solicited for suitable contracts.
- (h) Publicize the Program through appropriate means, in order to attract qualified MBEs and WBEs.

SECTION 6.2 To achieve the contract specific goals, the Executive Director shall undertake, in addition to the other measures provided herein, the following:

- (a) Include uniform provisions permitting the termination of the contract by the Commission upon the disqualification of the Contractor as a MBE or WBE if the contractor's status as MBE or WBE was a factor in the award of the contract and such status was misrepresented by the Contractor;
- (b) Include uniform provisions permitting termination of the contract by the Commission upon the disqualification of any MBE or WBE if the subcontractor's or supplier's status as a MBE or WBE was a factor in the award of the contract and the status of the subcontractor or supplier was misrepresented by the contractor. In the event that the contractor is determined not to have been involved in any misrepresentation of the status of the disqualified subcontractor or supplier, the contractor shall discharge the disqualified subcontractor or supplier and make good faith efforts to engage a qualified MBE or WBE replacement;
- (c) Include uniform provisions allowing the Executive Director access to the Contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the Contractor's compliance with its commitment to MBE and WBE participation and the status of any MBE or WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the Contractor's records by the Commission for any purpose;

(d) Review each proposed contract modification request that, by itself or aggregated with previous modification requests, increases the contract value by ten percent of the initial contract value or \$50,000.00, whichever is less, for opportunities to increase participation of MBEs or WBEs. Where the proposed contract modification involves work which can be performed by MBEs or WBEs already performing work on the contract such MBEs and WBEs shall participate in such work specified in the contract modification;

(e) Insert in each contract containing a commitment to MBE and/or WBE participation:

(i) A requirement of periodic reporting by the Contractor to the Executive Director on all expenditures made to achieve compliance with the foregoing provisions. Such reports shall include the name and business address of each subcontractor and supplier actually involved in the contract, a description of the work performed and/or product or service supplied by each such subcontractor or supplier, the date and amount of each expenditure, and such other information as may assist the Executive Director in determining the Contractor's compliance with the foregoing provisions;

(ii) A requirement that the Contractor cannot make changes to its contractual MBE and WBE commitments or substitute such MBE or WBE subcontractors without the prior written approval of the Executive Director. Unauthorized changes or substitutions, including performing the work designated for a subcontractor with the contractor's own forces, shall be a violation of this section and a breach of the contract with the Commission, and may cause termination of the contract for breach, and/or subject the Contractor to contract remedies or other sanctions. The facts supporting the request must not have been known nor reasonably should have been known by the parties prior to entering into the subcontract.

(f) Substitutions of the subcontractor shall be permitted only on the following bases:

(I) Unavailability after receipt of reasonable notice to proceed;

(ii) Failure of performance;

(iii) Financial incapacity;

(iv) Refusal by the subcontractor to honor the bid or proposal price or scope;

(v) Mistake of fact or law about the elements of the scope of work of a solicitation where a reasonable price cannot be agreed;

- (vi) Failure of the subcontractor to meet insurance, licensing or bonding requirements;
- (vii) The subcontractor's withdrawal of its bid or proposal; or
- (viii) Decertification of the subcontractor as MBE or WBE.

Where the Contractor has established the basis for the substitution to the satisfaction of the Executive Director, it must make good faith efforts to substitute with a MBE or WBE subcontractor. If the MBE or WBE contract specific goal cannot be reached and good faith efforts have been made, the Contractor may substitute with a non-MBE or non-WBE. If a Contractor plans to hire a subcontractor on any scope of work that was not previously disclosed within the compliance plan the Contractor must obtain the approval of the Executive Director to modify the compliance plan and must make good faith efforts to ensure that MBEs or WBEs have a fair opportunity to bid on the new scope of work.

SECTION 7

DETERMINING MBE/WBE UTILIZATION

SECTION 7.1 The methodology for determining MBE and WBE utilization shall be determined for purposes of analysis with respect to this contract as follows:

- (a) The total dollar value of the contract awarded to the certified MBE or WBE firm shall be credited to such participation. Only minority business participation may be counted toward MBE participation and only women business participation may be counted toward WBE participation.
- (b) The total dollar value of a contract with a firm owned and controlled by minority women is counted toward either the MBE or WBE goal, but not both. The Contractor employing the firm may choose the goal to which the contract value is applied. Various work done by one and the same subcontractor shall be considered, for the purpose of this principle, as work effectively done under one subcontract only, which subcontractor may be counted toward only one of the goals, not toward both.
- (c) In a firm owned and controlled by both minority males and minority females, if the minority females own and control 51% or more of the business, then the total dollar value of a contract with such firm may be counted toward either MBE participation or WBE participation, but not both. If the minority females, however, own and control less than 51% of the firm, then the firm's participation may be counted only toward MBE utilization.

(d) A Contractor may count toward its MBE or WBE goal the portion of the total dollar value of a contract with an eligible joint venture equal to the percentage of the ownership and control of the MBE or WBE partner in the joint venture. A joint venture seeking to be credited for MBE participation may be formed among certified MBE and WBE firms, or between certified MBE and WBE firms and a non-MBE/WBE firm. A joint venture satisfies the eligibility standards of this Program if the certified MBE or WBE participant of the joint venture:

(i) Shares in the ownership, control, management responsibilities, risks and profits of the joint venture; and

(ii) Is responsible for a clearly defined portion of work to be performed in proportion to the MBE or WBE ownership percentage.

(e) A Contractor may count toward its MBE and WBE goals only expenditures to firms that perform a commercially-useful function in the work of a contract. A firm is considered to perform a commercially-useful function when it is responsible for execution of a distinct element of the work of a contract and carries out its responsibilities by actually performing, managing, and supervising the work involved. To determine whether a firm is performing a commercially-useful function, the Commission shall evaluate the amount of work subcontracted, industry practices and other relevant factors.

(f) Consistent with normal industry practices, a MBE or WBE firm may enter into subcontracts. If a MBE or WBE contractor subcontracts a significantly greater portion of the work of a contract than would be expected on the basis of normal industry practices, the MBE or WBE shall be rebuttably presumed not to be performing a commercially-useful function.

(g) A Contractor may count toward its goals expenditures to MBE or WBE manufacturers (i.e., suppliers that produce goods from raw materials or substantially alters them before resale).

(h) A Contractor may count toward its goals expenditures to MBE or WBE suppliers provided that the supplier performs a commercially-useful function in the supply process.

SECTION 8

SUBMISSION OF BID PROPOSALS

SECTION 8.1 The following schedules and documents constitute the Bidder's MBE/WBE compliance proposal and must be submitted at the time of the bid or proposal or within such extended period as provided in Section VII hereof:

(a) Evidence of Certification/Schedule A: Affidavit of MBE/WBE. A copy of each proposed MBE and WBE firm's Letter of Certification from the certifying agency must be submitted. Where the Bidder's MBE/WBE compliance proposal includes any MBE or WBE firm that is not currently certified (as evidenced by a Letter of Certification), "Schedule A: Affidavit of MBE/WBE" executed by the proposed MBE or WBE must be submitted.

(b) Schedule B: Affidavit of MBE/Non-MBE or WBE/Non-WBE Joint Ventures. Where the Bidder's MBE/WBE compliance proposal includes participation of any MBE or WBE as a joint venture participant on any tier, the Bidder must submit a "Schedule B: Affidavit of MBE/Non-MBE or WBE/Non-WBE Joint Venture" with an attached copy of the joint venture agreement proposed among the parties. The Schedule B and the joint venture agreement must clearly evidence that the MBE or WBE participant will be responsible for a clearly defined portion of the work to be performed and that the MBE or WBE firm's responsibilities are in proportion with its ownership percentage. In order to demonstrate the MBE or WBE participant's share in the ownership, control, management responsibilities, risks and profits of the joint venture, the proposed joint venture agreement should include specific details related to:

- (i) The contributions of capital and equipment;
- (ii) Work items to be performed by the MBE or WBE firm's own forces;
- (iii) Work items to be performed under the supervision of the MBE or WBE participant; and
- (iv) The commitment of management, supervisory and operational personnel employed by the MBE or WBE to be dedicated to the performance of the contract.

(c) Schedule C: Letter of Intent to Perform as a Subcontractor, Subconsultant, or Material Supplier, Schedule C, executed by the MBE/WBE firm (or Joint Venture Subcontractor) must be submitted by the Bidder for each MBE/WBE included on the Schedule D. Schedule C must accurately detail the work to be performed by the MBE or WBE firm and the agreed rates and prices to be paid.

(d) Schedule D: Affidavit of Prime Contractor Regarding MBE or WBE Utilization. A completed Schedule D committing to the utilization of each listed MBE or WBE firm. Unless the Bidder has submitted a completed request for a waiver of participation by MBE/WBE firms (See Request for Waiver procedures in Section VIII hereof), the Bidder must include the specific dollar amount of participation of each MBE/WBE firm listed on its Schedule D. The total dollar commitment to proposed MBE firms must at least equal the MBE goal, and the total dollar commitment to proposed WBE firms must at least

equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of MBE or WBE utilization as percentages of their total base bid.

SECTION 8.2 The submittals must have all blank spaces on the Schedule pages applicable to the contract correctly filled in. Agreements between a Bidder and a MBE/WBE in which the MBE/WBE promises not to provide subcontracting quotations to other Bidders are prohibited.

SECTION 9

EVALUATION OF BID PROPOSALS

SECTION 9.1 During the period between bid opening and contract award, the submitted documentation will be evaluated by the Commission. The Bidder agrees to provide, upon request, earnest and prompt cooperation to the Executive Director or his designee in submitting to interviews that may be necessary, in allowing entry to places of business, in providing further documentation, or in soliciting the cooperation of a proposed MBE or WBE firm in providing such assistance. A bid may be treated as non-responsive by reason of the determination that the Bidder's proposal did not contain a sufficient level of Certified MBE or WBE participation, that the Bidder was unresponsive or uncooperative when asked for further information relative to the proposal, or that false statements were made in the Schedules.

SECTION 9.2 If the Commission's review of a Bidder's proposal concludes that the MBE or WBE proposal was deficient, the Commission shall promptly notify the Bidder of the apparent deficiency and instruct the Bidder to submit (within three (3) business days of such notice given by the Commission) a modification of the MBE or WBE Proposal, in proper format, which remedies the deficiencies cited. Failure to correct all deficiencies cited by the Commission will be cause for rejection of the Bidder's proposal as nonresponsive.

SECTION 9.3 Bidders will not be permitted to modify their MBE/WBE compliance proposal except insofar as directed to do so by the Commission. Therefore, all terms and conditions stipulated for prospective MBE and WBE subcontractors or suppliers should be satisfactorily negotiated prior to the submission to the Commission of the Bidder's MBE/WBE compliance proposal with the bid. If circumstances should arise, however, where a proposed MBE/WBE is no longer available, the process described in Section 6.2(f) should be followed.

SECTION 10

REQUEST FOR WAIVER

SECTION 10.1 If a Bidder is unable to identify qualified MBE and WBE firms to perform sufficient work to fulfill the MBE or WBE percentage goals for this Contract, the bid or proposal must include a written request for waiver. A request for waiver shall set forth the Bidder's

inability to obtain sufficient MBE and WBE firms notwithstanding good faith attempts to achieve such participation.

SECTION 10.2 Examples of such good faith efforts may include, but are not limited to, the following:

- (a) Attendance at the Pre-bid conference;
- (b) The Bidder's general affirmative action policies regarding the utilization of MBE and WBE firms, plus a description of the methods used to carry out those policies;
- (c) Advertisement in trade association newsletters and minority and women-oriented and general circulation media for specific sub-bids;
- (d) Timely notification of specific sub-bids to minority and women contractor assistance agencies and associations;
- (e) Description of direct negotiations with MBE and WBE firms for specific sub-bids, including:
 - (i) The name, address and telephone number of MBE and WBE firms contacted;
 - (ii) A description of the information provided to MBE and WBE firms regarding the portions of the work to be performed; and
 - (iii) The reasons why additional MBE and WBE firms were not obtained in spite of negotiations.
- (f) A statement of the efforts made to select portions of the work proposed to be performed by MBE and WBE firms (such as sub-supplier, transport, engineering, distribution, or any other roles contributing to production and delivery as specified in the contract) in order to increase the likelihood of achieving such participation.
- (g) As to each MBE and WBE contacted which the Bidder considers to be not qualified, a detailed statement of the reasons for the Bidder's conclusion.
- (h) Efforts made by the Bidder to expand its search for MBE and/or WBE firms beyond usual geographic boundaries.
- (i) General efforts made to assist MBE and WBE firms to overcome participation barriers.

SECTION 10.3 The Executive Director, after review and evaluation of the documents provided by the Bidder, may grant a waiver request upon the determination that:

- (a) Sufficient qualified MBE and/or WBE firms capable of providing the goods or services required by the contract are unavailable despite the good faith efforts of the Bidder;
- (b) The Bidder is the sole source for work to be performed under the contract; or
- (c) The price(s) quoted by potential MBE and/or WBE firms for goods or services is above competitive levels to an extent unwarranted by any increased cost of doing business attributable to the present effects of disadvantage or discrimination.

SECTION 11

REPORTING AND RECORD-KEEPING REQUIREMENTS

SECTION 11.1 The Contractor, within five (5) working days of contract award, shall execute a formal subcontract or purchase order in compliance with the terms of the Contractor's bid proposal and MBE/WBE assurances, and submit to the Commission a copy of the MBE and WBE subcontracts or purchase orders, each showing acceptance of the subcontract or purchase order by the MBE and WBE firms. During the performance of the contract, the Contractor shall submit partial and final waivers of lien from MBE and WBE subcontractors and suppliers indicating the current payment amount and the cumulative dollar amount of payments made to date. The Contractor shall file regular MBE and WBE utilization reports on the form entitled "Status Report of MBE and WBE (Sub) Contract Payments" at the time of submitting each monthly payment voucher ("Summary of Estimate"), which reflects the current status of cumulative and projected payments to MBE and WBE firms.

SECTION 11.2 The Contractor shall maintain records of all relevant data with respect to the utilization of MBE and WBE firms, including without limitation payroll records, tax returns and records, and books of account, and retain such records for a period of at least three (3) years after final acceptance of the work. Full access to such records shall be granted to the Commission and/or its designees, on five (5) business days' notice in order for the Commission to determine the Contractor's compliance with its MBE and WBE commitments and the status of any MBE or WBE firm performing any portion of the contract.

SECTION 12

NON-COMPLIANCE AND LIQUIDATED DAMAGES

SECTION 12.1 The Executive Director has the authority to apply suitable sanctions to the Contractor if the Contractor is found to be in non-compliance with the MBE and WBE requirements. Failure to comply with the MBE or WBE terms of this contract or failure to use MBE and WBE firms as stated in the Contractor's assurances constitutes a material breach of the contract, and may lead to the suspension or termination of the contract in part or in whole, disqualification from entering into future contracting arrangements with the Commission, and criminal liability. In some cases, monthly progress payments may be withheld until corrective action is taken.

SECTION 12.2 When the contract is completed, in the event that the Executive Direct has determined that the Contractor did not comply in the fulfillment of the required MBE and/or WBE goals, and a grant of relief of the requirements was not obtained, the Commission will thereby be damaged in the failure to provide the benefit of participation to minority or women business to the degree set forth in this Special Condition. Therefore, in case of such non-compliance, the Commission will deduct as liquidated damages one (1%) percent (or fraction thereof) deficiency toward the MBE goal or WBE goal.

SECTION 13

REVIEW AND SUNSET

SECTION 13.1 These Special Conditions shall be reviewed no later than 5 years from their adoption and shall expire on October 31, 2009 unless the Commission find that its remedial purposes have not been fully achieved and there is a compelling interest in continuing narrowly tailored remedies to redress discrimination against MBEs or WBEs so that the Commission will not function as a passive participant in a discriminatory marketplace.

SECTION 14

SEVERABILITY

SECTION 14.1 In the event that any section, subsection, paragraph, clause, provision or application of these Special Conditions shall be held invalid by any court, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions hereof.
