PUBLIC BUILDING COMMISSION OF CHICAGO

Contract No.1513

WELLINGTON ELEMENTARY SCHOOL

I. INTRODUCTION

Thank you for your interest in bidding on this project, which is being undertaken by the Public Building Commission of Chicago. The Public Building Commission of Chicago (hereafter, the PBC, or Commission) is a municipal corporation with a statutory mandate to procure and award contracts for the construction of public buildings in the City of Chicago, and to oversee the construction of those public buildings until they are turned over to the user agency that will own and operate each new facility.

This is the first page of text of Book 1, which along with Book 2, Book 2A, Book 3, and the project drawings, comprise the PBC's construction contract. The balance of this Book 1 provides a brief description of the project, instructions for completing and submitting your bid, the bid pages, and the forms which must accompany your bid. Book 2 is the Standard Terms and Conditions of the contract. Book 2A is the Standard Terms and Conditions Procedures Manual. Book 3 is the Technical Specifications for the work to be performed on this project. The PBC's architect or engineer for the project will provide the drawings and other documents that may be necessary for you to bid on and/or perform the work. Each of the Books, along with the drawings and any other documents prepared by the PBC, its architect or engineer, are Contract Documents. Collectively, the Contract Documents comprise the Contract. The Contract Documents are defined in Section 1 of Book 2, Standard Terms and Conditions.

K. Local Business Subcontracting Participation and Community Hiring

In order to ensure that local businesses that provide subcontracting work to general contractors on Commission projects and residents of the project communities are provided with the opportunity to benefit from Commission contracts, the Commission requires the following:

1. Local Subcontracting Requirement
 - a. General contractors that are Local Businesses (as defined below) are required to award 25% of the Work under their contract with the Commission to subcontractors that are Local Businesses.
 - b. General contractors that are not Local Businesses are required to award 35% of the Work under their contract with the Commission to subcontractors that are Local Businesses.
 - c. A Local Business is one that: 1) owns or leases a functioning business office and/or operations facilities within the City of Chicago (for City-funded projects) or the County of Cook (for Non-City-funded projects); 2) is registered and licensed to do business in the City of Chicago (for City-funded projects) or the County of Cook (for Non-City-funded projects); 3) employs City of Chicago residents (for City-funded projects) or Cook County residents (for Non-City-funded projects); and 4) is subject to City of Chicago taxes (for City-funded projects) or Cook County taxes (for Non-City-funded projects). In the event that the Commission performs a project for a unit of local government that operates in multiple municipalities, such as the Metropolitan Water Reclamation District, "Local Business" shall be defined in the bid documents for that project. The source of funding for the project is identified in Section II.A.18 above.
2. Community Residents Requirements. At least 7.5% of the project labor must be performed by residents of the Project Community as defined in the Contract documents.
 - a. Two-thirds of the 7.5% (or 5%) of the aggregate hours of Work to be performed by Contractor and Subcontractors under this Contract may be complied with through new hires or current employees of the Contractor who are construction trade workers and residents of the Project Community.
 - b. One-third of the 7.5% (or 2.5%) of the aggregate hours of Work to be performed by the Contractor and Subcontractors under this Contract must be new hires who are residents of the Project Community and may be comprised of construction trade workers or jobsite support positions, including, but not limited to, security, data entry clerks, schedulers, traffic monitoring personnel, field engineer, superintendent, project manager and site administrative support staff.

L. Affidavit of Uncompleted Work

The Bidder is required to submit a fully executed Affidavit of Uncompleted Work, which declares, among other things, the value and estimated completion date of all uncompleted contracts to be completed with Bidder's own forces and to be subcontracted to others. M. Bidder's Financial Statement

Each Bidder shall have on file in the office of the Commission at the time of bid opening a financial statement dated not earlier than the end of said Bidder's last fiscal year period. This will be kept on file by the Commission as a representative statement for a period of one year only. If a Bidder does not have such statement on file, it must submit a copy with its bid. Failure to have a current financial statement on file at the Commission at time of bid opening may be cause for the rejection of the Contractor's Bid.

PUBLIC BUILDING COMMISSION OF CHICAGO

Contract No.1513

WELLINGTON ELEMENTARY SCHOOL

N. Disclosure Affidavit

Each Bidder shall have on file in the office of the Commission at the time of bid opening a fully executed Disclosure Affidavit.

O. Statement of Bidder's Qualifications

Each Bidder shall have on file in the office of the Commission at the time of bid opening a fully executed Statement of Bidder's Qualifications or a Qualification Submittal in response to a Request for Qualifications (RFQ). The Commission reserves the right to request additional information regarding the capability of the Bidder to perform the Contract.

P. Disclosure of Retained Parties

The apparent low Bidder and the apparent 2nd low bidder shall submit a fully-executed Disclosure of Retained Parties pursuant to the instructions on the document within five (5) days of receipt of notice to provide such Disclosure.

Q. Submission of Bid

1. Two (2) copies of all bid documents with original signatures shall be enclosed in two (2) envelopes each (outer and inner), both of which shall be sealed and clearly labeled with "BID DOCUMENTS," the Contract number, name of Bidder, and date and time of opening.
2. Bids received prior to the advertised hour of opening will be securely kept by the Commission.
3. Written modifications of bids will be considered only if received prior to the time stated for receipt of Proposals. Such modifications must be submitted in a sealed envelope and marked in the same manner as a bid. IN ADDITION, the envelope must state "BID MODIFICATIONS TO SEALED PROPOSAL" on the lower left-hand corner of the envelope in which the bid modification is enclosed, so that the modification will be recognized to prevent its being opened prior to scheduled public opening of bids. Telephonic or oral modifications will not be considered. Bidders are cautioned that modifications which are not explicit and which are in any sense subject to misinterpretation shall make the bid so modified or amended subject to rejection.

R. Withdrawal of Bids before Bid Opening

Any Bidder may withdraw its bid by letter, facsimile, e-mail request, or by personally securing, with proper identification, the submitted bid proposal at any time prior to the time fixed for opening of bids. A telephonic request to withdraw a bid will not be considered.

S. Opening of Bids

At the time and place fixed for the opening of bids, the Commission will cause to be opened and publicly read aloud every bid received within the time set for receiving bids irrespective of any irregularities therein. Bidders and other persons properly interested may be present in person or by representative.

T. Evaluation of Bids

1. The Commission reserves the right to check all calculations and to correct all extensions in case of error in order to determine the correct amount of the Total Base Bid and/or the total amount of any other schedule required.

PUBLIC BUILDING COMMISSION OF CHICAGO

Contract No.1513

WELLINGTON ELEMENTARY SCHOOL

2. Along with reviewing the calculations of each bid, the Commission will evaluate each Bidder's responsiveness to all Bid requirements and responsibility.
3. The Commission may require that the apparent low bidder and any other bidder submit a breakdown of their bids by CSI Division or other appropriate basis. The Commission may also require the apparent low bidder or any other bidder to attend a pre-award meeting to review their bids in detail.

U. Canvassing of Bids

The PBC will canvass the Total Base Bids offered by all Bidders. If one or more of the Total Base Bids offered is less than the Construction Budget, award will be made to the responsible Bidder with the lowest Award Criteria Figure ("A").

If none of the Total Base Bids is less than the Construction Budget, deduct the Alternate #1 amount offered by each Bidder from each of the respective Total Base Bids and canvass the results. If one or more of the resulting "Total Base Bid minus Alternate #1" amounts is less than the Construction Budget, award will be made to the responsible Bidder with the lowest Alternate #1 Award Criteria Figure ("B").

V. Basis of Award

Award will be made to the responsible Bidder submitting the lowest Award Criteria Figure as determined in accordance with the "Canvassing of Bids" provisions above (Section U. of this Article III.) and otherwise responsive to all the requirements of the Contract Documents.

W. Alternates-Commission Discretion

Responsive Bidders will indicate the deductive price offered for Alternate #1 as indicated in the Bid Forms.

Acceptance of any Alternates will be in the sole discretion of the Commission. The Scope of Work for the Contract awarded pursuant to the Bid shall include all of the Work included in the Total Base Bid and as described in the Contract Documents less, as determined in the sole judgment of the Commission, the Scope of Work as described in Alternate #1.

The determination of the Commission to accept the Alternate offered shall be made after the bids are canvassed in accordance with the "Canvassing of Bids" provision above and before the Scope of Work to be included in the Contract is established and Contract award is made. The Commission may, after first determining which is the lowest responsive Bid by a responsible Bidder, determine that it is in the best interest of the PBC and the User Agency to increase the Construction Budget rather than accept the Alternate offered in the low bid.

X. Performance and Payment Bond and Insurance

1. Each Bidder shall furnish proof of its ability to provide the bonds and insurance required by the Contract with its bid. With respect to the payment and performance bonds, a letter from the Bidder's surety affirming the surety's willingness to provide the Bidder's bonds is sufficient. With respect to the insurance, either a letter from the Bidder's insurer, or a certificate showing that the Bidder currently possesses the required coverage, is sufficient.
2. The insurance requirements for this project are as follows: The Contractor must provide and maintain at Contractor's own expense, the minimum insurance coverage and requirements specified below, insuring all operations related to the Contract. The insurance must remain in effect from: the date of the notice to proceed until Substantial Completion of the project, during completion of Punch List, as well as any time Contractor returns to perform additional work regarding warranties or for any other purpose
 - a) Insurance To Be Provided By the Contractor

PUBLIC BUILDING COMMISSION OF CHICAGO

Contract No.1513

WELLINGTON ELEMENTARY SCHOOL

The insurance requirements are attached as Exhibit 2.

3. Upon approval by the Commission to award, and within five (5) days after being given notice, the successful Bidder must execute and deliver to the Commission the Performance and Payment Bond in the form included in the Contract Documents, and evidence of the required insurance coverage.
4. The Performance and Payment Bond shall be in the form provided herein, in the full amount of the Base Contract Price and shall be security for the faithful performance of the Contract and payment of all persons, firms, or corporations to whom the Contractor may become legally indebted for labor, material, facilities or services of any nature, employed or used by it in performing the Work. The current power of attorney for the persons who sign for any surety company shall be attached to such bond. Such power of attorney shall be sealed and certified with a "first hand signature" by an officer of the surety. A facsimile signature will not be accepted by the Commission. The Commission reserves the right to approve the surety company.
5. The failure of the successful Bidder to supply the required Performance and Payment Bond or evidence of the required insurance coverage within five (5) days of notice, or within such extended period as the Commission may grant based upon reasons determined sufficient by the Commission, shall constitute a default and the Commission may either award the Contract to the next lowest responsible bidder or re-advertise for bids. The difference between the amount of its bid and the amount for which a contract for the work is subsequently executed may be charged against the Bidder, irrespective of whether the amount thus due exceeds the amount of the bid security. If a more favorable bid is received by re-advertising, the defaulting Bidder shall have no claim against the Commission for a refund. Because of the difficulty of ascertaining the damage caused to the Commission, such sum shall be considered liquidated damages and shall not constitute a penalty. The election by the Commission to grant an extension to the period allowed for the bidder to provide an acceptable performance and payment bond and/or evidence of insurance coverage shall not entitle the bidder to an extension of time required to complete the Work.

Y. Protests

1. The bidder shall submit any protests or claims regarding this solicitation to the office of the Commission's Executive Director. A pre-bid protest must be filed five (5) days before the bid opening date, a pre-award protest must be filed no later than ten (10) days after the bid opening date, and a post-award protest must be filed no later than ten (10) days after the award of the Contract.
2. All protests or claims must set forth the name and address of the protester, the contract number, the grounds for the protest or claim, and the course of action that the protesting party desires that the Executive Director take.

Z. Licensing

In addition to all other applicable licenses and certifications, the general contractor is required to submit a copy of its (Class A) General Contractor License issued by the Department of Buildings of the City of Chicago.

AA. Award Of Contract; Rejection Of Bids

1. The Contract will be awarded to the responsive, responsible Bidder submitting the lowest Award Criteria Figure as determined in accordance with the "Canvassing of Bids" provision above (Section U of this Article III), and complying with all conditions set forth in the Contract Documents.

V. PROPOSAL SUPPORT DOCUMENTS

A. Basis of Award (Award Criteria)

To promote the intended goal of economic opportunity and maximize the use of minority personnel on this project, the Public Building Commission of Chicago has established the Award Criteria formula for the purpose of evaluating proposals and awarding the contract. A contract in the amount of the total Base Bid or Base Contract Price will be awarded to the responsible bidder with the lowest Award Criteria Figure in accordance with the "Canvassing of the Bids" provision above (Section U, Article III). The Public Building Commission of Chicago reserves the right to check all calculations for accuracy. The fulfillment of the Award Criteria does not abrogate the responsibilities of the Contractor to comply with federal and state requirements under the *Equal Employment Act* and the *Illinois Human Rights Act*.

1. Instructions

The Bidder shall complete the Award Criteria Formula and transfer the final Award Criteria Figure - Line 15 to the space provided on the itemized proposal sheet. Failure to complete the formula may be cause for rejection of the Bidder's proposal. The successful bidder will be held responsible for adhering to the figures submitted in Lines 1, 2, 4, 6, 8, 10 and 12 during construction of the project.

Lines 2, 4 and 6 in the formula shall not be greater than fifty percent (50%) in each category for the sole purpose of determining award of the contract. Similarly, lines 8, 10 and 12 shall not be greater than ten (10%) percent in each category for the purpose of award criteria only. The fifty percent (50%) and ten percent (10%) goals are not intended to restrict the total number of minority and female employees to be used on the project, but only to establish limiting figures for use in the formula. Journeyworker includes journeyworkers from the major trades listed herein, including, without limitation, journeyworkers engaged in steel fabrication, and the truck drivers. Watchmen and custodial workers are not creditable in the formula.

2. Award Criteria Formula

3. Community Hiring Bonuses

In order to encourage maximum employment of interested and available residents of the project community on this project, the following bonus calculations shall apply:

- a. In calculating the hours worked by minority and women journeyworkers, apprentices, and laborers under the Award Criteria set out in Part V.A. "Basis of Award (Award Criteria)," all hours worked by minority and women journeyworkers, existing apprentices, and laborers who are residents of the project community shall be multiplied by 1.5.
- b. In calculating the hours worked by minority and women apprentices under the Award Criteria set out in Part V "Proposal Support Documents," all hours worked in new apprenticeships by minority and women apprentices who are residents of the project community shall be multiplied by 2.0.

Definitions

"Actual residents of the City of Chicago" shall mean persons domiciled within the City of Chicago. The domicile is an individual's one and only true, fixed, and permanent home and principal establishment.

"Residents of the project community" shall mean persons domiciled within the project area as stated in Section II.A.6., above.

"New Apprenticeship" shall mean an apprenticeship begun for a person who has not held an apprenticeship card within ninety (90) days prior to beginning the project.

4. Liquidated Damages

The Contractor hereby consents and agrees that, in the event that it fails to comply with each of the minimum commitments submitted with this Proposal on Lines 2, 4, 6, 8, 10, and 12 of the Award Criteria Formula, covering minority and female Journeyworkers, apprentices, and laborers respectively, the following shall apply.

If the total hours in any category for which a percentage is assigned in Lines 2, 4, 6, 8, 10, or 12 of the Award Criteria equals zero at the completion of the work, then a net deficiency of the entire percentage assigned will be deemed to exist. For any net deficiency in each category, the following amounts shall be deducted as liquidated damages from monies due the Contractor and the Contract Sum modified accordingly:

PUBLIC BUILDING COMMISSION OF CHICAGO

Contract No.1513

WELLINGTON ELEMENTARY SCHOOL

- a. For each full one (1%) percent deficiency of minority Journeyworkers not utilized – four cents per each hundred dollars of the base bid calculated as follows:

$$\frac{\text{Line 1 x 04}}{100}$$

Each one (1%) percent deficiency toward the goal for female Journeyworkers (Line 8) shall be calculated in the same way.

- b. For each full one (1%) percent deficiency of minority apprentices not utilized – three cents per hundred dollars of the base bid calculated as follows:

$$\frac{\text{Line 1 x 03}}{100}$$

Each one (1%) percent deficiency toward the goal for female apprentices (Line 10) shall be calculated in the same way.

- c. For each one (1%) percent deficiency of minority laborers not utilized – one cent per each hundred dollars of the base bid calculated as follows:

$$\frac{\text{Line 1 x 01}}{100}$$

Each one (1%) percent deficiency toward the goal for female laborers (Line 12) shall be calculated in the same way.

- d. Liquidated damages, if any, will be calculated for the first pay requests reflecting fifty percent (50%) completion, seventy-five percent (75%) completion, and ninety percent (90%) completion, respectively, based upon the Contractor's pay request together with all attendant certified payrolls and other required documentation of minority and women employment. The accrued liquidated damages and interest will be added to the retention provided elsewhere in this contract. The amount of liquidated damages due to the Commission under this provision will bear compound interest at the rate of 5% per annum, compounded monthly from the date of the Notice to Proceed to the date of approval of a deductive change order for liquidated damages. Should the total amount of liquidated damages due under all provisions of this contract exceed the amount of the Commission's retainage, compound interest on the amount over and above the retainage will continue to accrue until the entire amount of liquidated damages and compound interest is paid to the Commission.
- e. The Commission is aware that certain subcontract agreements under this contract may require subcontractors to contribute to payment of liquidated damages assessed under this provision. Should enforcement of subcontract liquidated damages provisions result in an aggregate total of subcontractor liquidated damages greater than the liquidated damages assessed hereunder against Contractor, then Contractor must pay the excess pro rata as a bonus to each subcontractor exceeding its subcontract commitments for minority or women employment, or both.

5. Reporting

In accordance with this commitment, the Contractor must submit both the Contractor's Payroll Record Form and the Contractor's Recapitulation of Minority and Female Worker Hours and Percentages Form on a monthly basis. All Subcontractors including, without limitation, steel fabrication Subcontractors, shall be listed on the Contractor's Recapitulation Form whether active or not. I. PRELIMINARY PROVISIONS

(1) **Effective Date:** This operating agreement of Tropic/Nest Builders Joint Venture, LLC (The LLC) Effective June 1st, 2010, is adopted by the members whose signatures appear at the end of this agreement. Its two members are Tropic Construction Corporation Corp. (Tropic) and Nest Builders, Inc. (Nest)

(2) **Formation:** This limited liability company (LLC) is intended to be formed for the only and specific intention to present a response to the RFP for The Wellington School Renovations by the PBC.

(3) **Name:** The formal name of this LLC is as stated above. However, this LLC may do business under a different name by complying with the state's fictitious or assumed business name statutes and procedures.

(4) **Registered Office and Agent:** The registered office of this LLC and the registered agent are as follows: Joel N. Goldblatt, 515 N State Street, Suite 2200, Chicago, IL 60654 The registered office and agent may be changed from time to time as the members may see fit, by filing a change of registered agent or office form with the state LLC filing office. It will not be necessary to amend this provision of the operating agreement if and when such a change is made.

(5) **Business Purposes:** The specific business purposes and activities contemplated by the founders of this LLC at the time of initial signing of this agreement consist of the following:

To form a temporary General Contracting Joint Venture to construct the Wellington School Renovations in Chicago (The Project).

It is understood that the foregoing statement of purposes shall not serve as a limitation on the powers or abilities of this LLC, which shall be permitted to engage in any and all lawful business activities. If this LLC intends to engage in business activities outside the state of its formation that require the qualification of the LLC in other states, it shall obtain such qualification before engaging in such out-of-state activities.

(6) **Duration of LLC:** The duration of this LLC shall be limited to the completion of the Project. Further, this LLC shall terminate when a proposal to dissolve the LLC is adopted by the membership of this LLC or when this LLC is otherwise terminated in accordance with law.

II. MEMBERSHIP PROVISIONS

(1) **Non-liability of Members:** No member of this LLC shall be personally liable for the expenses, debts, obligations or liabilities of the LLC, or for claims made against it. The LLC shall indemnify and hold harmless each Member from and against all liabilities, obligations, losses, damages or judgments of any kind that may arise by reason of being Members of this LLC.

(2) **Reimbursement for Organizational Costs:** Members shall be reimbursed by the LLC for organizational expenses paid by the members. Any such expenses over \$ 1,000.00 shall be pre-approved by the Members. The LLC shall be authorized to elect to deduct organizational expenses and start-up expenditures pro-rated over a period of time as permitted by the Internal Revenue Code and as may be advised by the LLC's tax advisor.

(3) **Management:** This LLC shall be managed exclusively by its members.

(4) **Members' Percentage Interests:** A member's percentage interest in this LLC shall be computed as a fraction, the numerator of which is the total of a member's capital account and the denominator of which is the total of all capital accounts of all members. This fraction shall be expressed in this agreement as a percentage, which shall be called each member's "percentage interest" in this LLC.

(5) **Membership Voting:** Except as otherwise may be required by this operating agreement, or under the laws of this state, each member shall vote on any matter submitted to the membership for approval in proportion to the member's percentage interest in this LLC as of the date of such vote. Further, unless defined otherwise for a particular provision of this operating agreement, the phrase "majority of members" means the vote of members whose combined votes equal more than 50% of the votes of all members in this LLC.

(6) Compensation: Members shall not be paid as members of the LLC for performing any duties associated with such membership, including management of the LLC. Members may be paid, however, for any services rendered in any other capacity for the LLC, whether as officers, employees, independent contractors or otherwise. Notwithstanding the above, compensation for the performance of duties including management of the LLC should follow a format that is reviewed and approved by the Members.

(7) Members' Meetings: The LLC shall not provide for regular members' meetings, except for one annual meeting. However, any member may call a meeting by communicating his or her wish to schedule a meeting to all other members. Such notification may be in person or in writing, or by telephone, facsimile machine, or other form of electronic communication reasonably expected to be received by a member, and the other members shall then agree, either personally, in writing, or by telephone, facsimile machine or other form of electronic communication to the member calling the meeting, to meet at a mutually acceptable time and place. Notice of the business to be transacted at the meeting need not be given to members by the member calling the meeting, and any business may be discussed and conducted at the meeting.

If all members cannot attend a meeting, it shall be postponed to a date and time when all members can attend, unless all members who do not attend have agreed in writing to the holding of the meeting without them. If a meeting is postponed, and the postponed meeting cannot be held either because all members do not attend the postponed meeting or the non-attending members have not signed a written consent to allow the postponed meeting to be held without them, a second postponed meeting may be held at a date and time announced at the first postponed meeting. The date and time of the second postponed meeting shall also be communicated to any members not attending the first postponed meeting. The second postponed meeting may be held without the attendance of all members as long as a majority of the percentage interests of the membership of this LLC is in attendance at the second postponed meeting. Written notice of the decisions or approvals made at this second postponed meeting shall be mailed or delivered to each non-attending member promptly after the holding of the second postponed

meeting. Written minutes of the discussions and proposals presented at a members' meeting, and the votes taken and matters approved at such meeting, shall be taken by one of the members or a person designated at the meeting. A copy of the minutes of the meeting shall be placed in the LLC's records book after the meeting.

(8) Membership Certificates: This LLC shall be authorized to obtain and issue certificates representing or certifying membership interests in this LLC. Each certificate shall show the name of the LLC, the name of the member, and state that the person named is a member of the LLC and is entitled to all the rights granted members of the LLC under this operating agreement and/or provisions of law. Each membership certificate shall be consecutively numbered and signed by one or more Members of this LLC. The certificates shall include any additional information considered appropriate for inclusion by the members on membership certificates.

In addition to the above information, all membership certificates shall bear a prominent legend on their face or reverse side stating, summarizing or referring to any transfer restrictions that apply to memberships in this LLC under the Certificate of Formation and/or this operating agreement, and the address where a member may obtain a copy of these restrictions upon request from this LLC.

The records book of this LLC shall contain a list of the names and addresses of all persons to whom certificates have been issued, show the date of issuance of each certificate, and record the date of all cancellations or transfers of membership certificates.

(9) Other Business by Members: Each member shall agree not to own, except as agreed otherwise in writing by the other Member, an interest in, manage or work for another business, enterprise or endeavor, if such ownership or activities would compete with this LLC's business goals, mission, profitability or productivity, or would diminish or impair the member's ability to provide maximum effort and performance in managing the business of this LLC.

III. TAX AND FINANCIAL PROVISIONS

(1) Tax Classification of LLC: The members of this LLC intend that this LLC be initially classified as a partnership for federal and, if applicable, state income tax purposes. It is understood that all members may agree to change the tax treatment of this LLC by

(4) Annual Income Tax Returns and Reports: Within 60 days after the end of each tax year of the LLC, a copy of the LLC's state and federal income tax returns for the preceding tax year shall be mailed or otherwise provided to each member of the LLC, together with any additional information and forms necessary for each member to complete his or her individual state and federal income tax returns. If this LLC is classified as a partnership for income tax purposes, this additional information shall include a federal (and, if applicable, state) Form K-1 (Form 1065-Partner's Share of Income, Credits, Deductions) or equivalent income tax reporting form. This additional information shall also include a financial report, which shall include a balance sheet and profit and loss statement for the prior tax year of the LLC.

(5) Bank Accounts: The LLC shall designate one or more banks or other institutions for the deposit of the funds of the LLC, and shall establish savings, checking, investment and other such accounts as are reasonable and necessary for its business and investments. Two members of the LLC, one from Nest Builders and one from Tropic, shall be designated with the consent of all members to deposit and withdraw funds of the LLC, and to direct the investment of funds from, into and among such

accounts. Checks must bear the signatures of two members, one from Nest Builders and one from Tropic. The funds of the LLC, however and wherever deposited or invested, shall not be commingled with the personal funds of any members of the LLC.

(2) Additional Contributions by Members: The members may agree, from time to time by unanimous vote, to require the payment of additional capital contributions by the members, on or by a mutually agreeable date.

(3) Failure to Make Contributions: If a member fails to make a required capital contribution within the time agreed for a member's contribution, the members shall reschedule the time for payment of the capital contribution by the late-paying member, setting any additional repayment terms, such as a late payment penalty, rate of interest to be applied to the unpaid balance, or other monetary amount to be paid by the delinquent member, as the member decide. No required capital contribution shall be delinquent for more than 60 days.

In case one of the members is unable or unwilling to make the required capital contributions to the LLC after the revised deadline has past, the other member has the right to buy the membership units from the remaining member and make such contribution. The buy/sell agreement as well as its insurance policy shall be agreed separately and executed no later than 11/17/09.

(4) No Interest on Capital Contributions: No interest shall be paid on funds or property contributed as capital to this LLC, or on funds reflected in the capital accounts of the members.

(5) Capital Account Bookkeeping: A capital account shall be set up and maintained on the books of the LLC for each member. It shall reflect each member's capital contribution to the LLC, increased by each member's share of profits in the LLC, decreased by each member's share of losses and expenses of the LLC, and adjusted as required in accordance with applicable provisions of the Internal Revenue Code and corresponding income tax regulations.

(6) Consent to Capital Contribution Withdrawals and Distributions: Members shall not be allowed to withdraw any part of their capital contributions or to receive distributions, whether in property or cash, except as otherwise allowed by this agreement and, in any case, only if such withdrawal is made with the written consent of all members.

(7) Allocations of Profits and Losses: No member shall be given priority or preference with respect to other members in obtaining a return of capital contributions, distributions or allocations of the income, gains, losses, deductions, credits or other items of the LLC. The profits and losses of the LLC, and all items of its income, gain, loss, deduction and credit shall be allocated to members according to each member's percentage interest in this LLC.

(8) Allocation and Distribution of Cash to Members: Cash from LLC business operations, as well as cash from a sale or other disposition of LLC capital assets, may be distributed from time to time to members in accordance with each member's percentage interest in the LLC, as may be decided by consensus of all the members.

(9) Allocation of Noncash Distributions: If proceeds consist of property other than cash, the members shall decide the value of the property and allocate such value among the members in accordance with each member's percentage interest in the LLC. If such noncash proceeds are later reduced to cash, such cash may be distributed among the members as otherwise provided in this agreement.

(10) Allocation and Distribution of Liquidation Proceeds: Regardless of any other provision in this agreement, if there is a distribution in liquidation of this LLC, or when any member's interest is liquidated, all items of income and loss shall be allocated to the

members' capital accounts, and all appropriate credits and deductions shall then be made to these capital accounts before any final distribution is made. A final distribution shall be made to members only to the extent of, and in proportion to, any positive balance in each member's capital account.

V. MEMBERSHIP WITHDRAWAL AND TRANSFER PROVISIONS

(1) Withdrawal of Members: A member may not withdraw from this LLC unless approved by the Members of the LLC.

Further, no member may encumber a part or all of his or her membership in the LLC by mortgage, pledge, granting of a security interest, lien or otherwise, unless the encumbrance has first been approved in writing by all other members of the LLC.

Notwithstanding the above provision, any member shall be allowed to assign an economic interest in his or her membership to another person or trust without the approval of the other members. Such an assignment shall not include a transfer of the member's voting or management rights in this LLC, and the assignee shall not become a member of the LLC.

VI. DISSOLUTION PROVISIONS

(1) Events That Trigger Dissolution of the LLC: The following events shall trigger a dissolution of the LLC, except as provided:

(a) the death, permanent incapacity, bankruptcy, conviction of felony or fraud, retirement, resignation or expulsion of a member due to breach of fiduciary duties, except that within thirty (30) of the happening of any of these events, all remaining members of the LLC may vote to continue the legal existence of the LLC, in which case the LLC shall not dissolve;
