ITEM NO. 7: REQUESTS FOR INFORMATION

1. **Statement:** Please provide more information on the window blinds and roller shades - spec section 122113 Horizontal Louver Blinds and 122413 Roller Window Shades calls for them but I am unable to locate them on the drawings, please advise where blinds and roller shades are to go.

Response: See Ceiling Symbol Key and Plans on A2.0A -A2.4A to locate window shades. Detail is provided on 6/A2.5.

2. **Statement:** Drawing A13.0 includes a table for Millwork/Casework required, however the locations are not called out on the Finish drawings. Specification Section 123200 Manufactured Wood Casework also details requirements but not the required locations. Please confirm locations for the required Millwork/Casework specified in Section 123200.

Response: The location of the required casework is in Room 105 in the existing building. Please see the plan on A1.0B for scope.
