# Minority & Female Business Enterprise (M/WBE) Networking Session

January 7, 2013

Board Meeting

January 8, 2013

**Minority & Female Business Enterprise (M/WBE)  
Networking Session**

**January 7, 2013**  
**10:00 a.m. – 12:00 noon**  
Registration begins at 9:00 a.m.

at Dawson Technical Institute  
3901 S. State St.  
Free parking available

The purpose of this event is to provide a forum for networking with Prequalified General Contractors and Job Order Contractors (JOC). Information will be shared related to the following upcoming projects **Edison Park Elementary Linked Annex, Hale Elementary School and Job Order Contracting (various sites)**. The PBC will have booths set up for networking so that general contractors, subcontractors, and suppliers can interact.

To RSVP please contact Chuck Kelly at [rsvp@pbcchicago.com](mailto:rsvp@pbcchicago.com)

# Minority & Female Business Enterprise (M/WBE) Networking Session

January 7, 2013

There were **140 attendees** which included **80 Minority/Women Owned Business** at the Networking event held yesterday at Dawson Technical Institute located at 3901 S. State. This Networking event focused on our JOC Program, and two projects being bid: additions at Edison Park and Nathan Hale. Additionally, the PBC reviewed all of PBC Compliance requirements. Numerous eligible pre-qualified JOC contractors along with **9 Pre-qualified General Contractors** for the Edison Park and Nathan Hale projects were present to network and answer questions including: Accel/Pacific, Blinderman, Burling, F.H. Paschen, K.R. Miller, Norcon, Sollitt, Tyler Lane, and Wight. Chicago Women in Trade was also on hand to provide information. After every networking event, we also post event details and the presentation on our website for the public.

# PBC Ethics Webinar

Ethics training will be available this year via Webinar. A notice will be forthcoming to Board Members and Officers providing a link to the training module. This affords Commissioners and Officers the ability to complete the ethics training on demand.

Per a resolution passed at the February 2009 Board Meeting, ethics training is required annually by staff, Commissioners and Officers.
